General Assembly of the Presbyterian Church now sitting in the Church of the Covenant in New York City—Minister, William Adams, D. D. *Ruling Elder,* William E. Dodge.

General Synod of the Reformed Protestant (late Dutch) Church in America—Minister, Wm. J. R. Taylor, D. D.

General Assembly of the United Presbyterian Church—Minister, Wm. Bruce.

Synod of the Canada Presbyterian Church—Minister, W. Ormiston, D. D.

The Permanent Clerk, from the Committee on Commissions, further reported that a number of persons had appeared before the Committee on Commissions, claiming to be Commissioners, but who were either without commissions, or had informal or defective commissions.

The Rev. Samuel Miller, D. D., Rev. Ezra W. Fisk, D. D., and Ruling Elder John B. Skinner, were appointed a Committee on Elections, to which all persons present without commissions, or with informal commissions, were referred.

The Stated Clerk reported that he had received official notice of the organization of the Presbytery of Santa Fe, according to the direction of the last General Assembly. Also, that a Commissioner has appeared from the Presbytery of Austin, which seems to have been organized in Texas, without previous direction by the General Assembly, and of which no notice has been officially communicated as yet.

On motion, the case of this Presbytery and its Commissioner was referred to the Committee on Elections.

The Assembly then took a recess until 3½ o'clock, P. M.

THURSDAY AFTERNOON, 3½ o'clock.

The Assembly met. The Committee on Elections presented a report, which was adopted, and is as follows:

The Rev. T. Ewing, of the Presbytery of Saltsburg, and Ruling Elder Jas. E. Brown, of the same Presbytery; Rev. Albert Williams, of the Presbytery of California; Rev. N. L. Upham, of the Presbytery of Raritan; Rev. J. B. Dunn, of the Presbytery of Londonderry; Ruling Elder E. J. Crane, of the

Presbytery of California; Ruling Elder Wm. P. Emery, of the Presbytery of Raritan, have regular commissions, lacking the signatures of the Moderators of their respective Presbyteries, and having only those of the Stated Clerks; that the Rev. Ira M. Condit, of the Presbytery of Canton, is bearer of an informal appointment, signed by all the members of Presbytery who were in Canton at the time, when, however, a quorum could not be assembled, on account of the absence of several members in this country; that the Rev. W. J. Monteith, of the Presbytery of Oregon, has a letter from the Stated Clerk of that Presbytery, certifying his appointment, and promising that his commission, which has not come to hand, should be duly forwarded; that the Rev. H. M. Shockley, of the Presbytery of White Water; Rev. James Harper, D. D., of the Presbytery of Carlisle; Rev. I. J. Henderson, of the Presbytery of Baltimore; Ruling Elder Jas. Pomeroy, of the Presbytery, of Huntingdon; Ruling Elder Samuel Culbertson, of the Presbytery of Zanesville, have lost or forgotten their commissions, but have offered sufficient testimony, as the Committee regard it, from their respective fellow-commissioners or others, to justify their admission; that the Rev. J. H. Barnard, of the Presbytery of Waukesha, has a commission signed by the Stated Clerk, and another signed by the Moderator of his Presbytery, which together form a valid commission; and the Committee recommended that the foregoing names be all added to the roll.

A further report from the Committee on Elections, having reference to the Presbytery of Austin, was, on motion, referred to the Committee on Bills and Overtures.

The Assembly then proceeded to the election of officers.

On motion of Rev. Samuel Miller, D. D., it was ordered that in all elections by this Assembly, a majority of all the votes cast be necessary to a choice.

The Rev. Melancthon W. Jacobus, D. D., of the Presbytery of Ohio, was then elected Moderator, and the Rev. Ravaud K. Rodgers, D. D., of the Presbytery of New Brunswick, Temporary Clerk.

On motion of Dr. Musgrave, the following was unanimously adopted:

Resolved, That a Committee of Conference, consisting of five Ministers and five Ruling Elders, be appointed to confer with a similar Committee, if appointed by the other General Assembly now in session in this city, on the subject of the Re-union of the two branches of the Presbyterian Church; to report during the present sessions, and at as early a day as practicable, what further action, if any, should be taken on the subject.

The Moderator appointed as said Committee: *Ministers*—George W. Musgrave, D. D., A. G. Hall, D. D., L. H. Atwater, D. D., Willis Lord, D. D., and Henry R. Wilson, D. D. *Ruling Elders*—Robert Carter, J. C. Grier, Charles D. Drake, Henry Day, and William M. Francis.

On motion of Dr. R. K. Rodgers, the following was, in accordance with the recommendation of the Committee of Arrangements, unanimously adopted:

Resolved, That the sessions of the Assembly be held from nine A. M., to half past twelve o'clock at noon, and from half past two to half past five o'clock, P. M.

On motion of Dr. R. K. Rodgers, it was made the first order of the day for to-morrow forenoon, to receive reports from the several Boards and Theological Seminaries, and refer them to the appropriate Committees.

The Assembly then adjourned, after prayer by the Moderator, to 9 A. M., to-morrow.

The resolutions of the Report were taken up *seriatim*, and adopted.

The disposal of the matter alluded to in the Overture from the Presbytery of Wooster was, on motion of Rev. Calvin W. Stewart, amended. After which, the whole Report was adopted, and is as follows:

The Committee to which was referred the Report of the Assembly's Board of Publication, begs leave respectfully to report, that it has examined the same, and finds that the operations of the Board during the past year have been prosecuted with diligence, fidelity, and success. In the department of production, nearly one hundred thousand copies of new works not before published, including books and tracts, have been issued, while the reprints of former issues amount to more than half a million of copies. These have been sold and gratuitously distributed through the usual channels and agencies, and many instances are reported of great spiritual good immediately arising from the perusal of them. The periodicals issued by the Board during the year also amount to nearly two millions of copies. Of these, the *Sabbath-School Visitor* circulates to the extent of over one hundred thousand per month—a great advance on previous years. It would have a much wider circulation if all our Sabbath-

schools would take it in preference to similar publications issued by other agencies. Your Committee believes that the universal adoption of our periodicals by our churches and Sabbath-schools would promote their highest welfare and that of the whole Church. It regrets to find that the *Home and Foreign Record*, which, though issued by the Board of Publication, is the common organ of all the Boards, is circulated to the extent of sixteen thousand copies only, and that its cost considerably exceeds the receipts for it at the present price—twenty-five cents a year. It is of opinion that greater efforts should be made to promote its general circulation, in accordance with the recommendation of the Assembly of 1867.

Your Committee is gratified to learn that the number of churches contributing to the Colportage Fund has increased from 778 to 930 during the past year. It hopes that this increase will rapidly go on till all our churches share in the blessed work.

The financial condition and working of the Board appear to be safe and healthy. The receipts from all sources, by sale and gift, have been $146,877.78. The expenditures of the year, of every sort, have been $142,724.07; being $4,153.71 less than the receipts. The balance in the treasury at the end of the year is $14,326.13. This is simply a working balance in the department of publication, which must be immediately drawn upon in meeting bills incurred in carrying on its publishing work. The Colportage and Distribution Fund can only be kept up by the continual contributions of congregations and individuals.

In conclusion, your Committee recommends the adoption by the Assembly of the following resolutions:

Resolved, 1. That the Assembly is happy to learn that the operations of the Board of Publication during the past year have been conducted with wisdom, efficiency, and encouraging success.

Resolved, 2. That it exhorts our church sessions and Sabbath-school superintendents to promote the increasing circulation of the *Record* and of the *Sabbath-School Visitor*, particularly in those churches which do not now take these periodicals.

Resolved, 3. That it desires the Board to enlarge its work of Colportage in the openings for it that are multiplying on every hand, and to this end exhorts all our churches to contribute to the Fund for this purpose.

Resolved, 4. That it deems it of great importance that means be furnished to the Board for supplying needy ministers with its publications, for their own use, and for distribution among those unable to purchase them.

Resolved, 5. That in view of the great good arising from the gratuitous circulation of the tracts of the Board, the Assembly earnestly commends to the attention of churches and individuals the importance of special donations for this purpose.

Resolved, 6. That the Board of Publication be instructed to enter immediately and vigorously on the work of preparing and publishing evangelical books and tracts in the Spanish and Portuguese languages, and to aid, as far as possible, in the circulation and distribution of a pure gospel literature in the countries where these languages are spoken.

Resolved, 7. That your Committee has examined the Minutes of the Board and those of its Executive Committee. It finds them correct, and recommends their approval.

In regard to certain Overtures concerning the Board of Publication, made to the General Assembly, and by that body referred to the Standing Committee on that Board, your Committee reports that these are five in number, and recommends the following disposal of them.

1. From the Presbytery of Indianapolis, asking the Assembly to instruct the Board to publish an edition of the Shorter Catechism in a new and improved form; also a Catechism for young children. It recommends that the Assembly refer said overture to the Board of Publication for such action as it may deem proper.

2. From the Presbytery of Erie, proposing that the Board be instructed to take old hymn-books at a discount in exchange for the Hymnal. Also one from the Presbytery of Des Moines respecting a new edition of the Hymnal in large type for the aged, and in small type for the convenience of others. In the opinion of your Committee, no action on these is now necessary or expedient.

3. From the Presbytery of Wooster, and from a former colporteur of the Board, against discriminating in favour of booksellers in the prices of its publications. In regard to this the following action was taken:

Resolved, That the Board of Publication is hereby directed to make a discount on its Sabbath-school books to all Sabbath-schools purchasing the same; also on books sold for congregational libraries.

On motion, the first order of the day for this afternoon was postponed.

The Committee on Devotional Exercises reported a recommendation that a union devotional meeting, similar to that of this morning, be held in the Church of the Covenant on Wednesday morning at half-past 8 o'clock.

Agreed to.

The following resolution was unanimously adopted in reference to the desecration of sacred time by its use for decorating the soldiers' graves:

Resolved, That this General Assembly, while heartily sympathizing with the movement which proposes to decorate the graves of our noble and brave soldiers with flowers as a tender tribute of public gratitude to those who fell in the service of our country, does, nevertheless, most respectfully but earnestly protest against the use of the Lord's day for this purpose, as making this beautiful work of decoration an occasion of desecrating the Christian Sabbath.

Resolved, That a committee be appointed to confer with the proper authorities connected with the Grand Army of the Republic, and urgently to request that the day be changed from Sabbath (30th) to Saturday 29th.

Ministers W. C. Anderson, D. D., A. L. Blackford, and Smith F. Grier, with *Ruling Elders* Van Cleve and Morris Patterson were appointed as said committee.

After prayer by the Rev. Samuel Miller, D. D. the Assembly adjourned.

The invitation was accepted with thanks.

An invitation from the New York Historical Society for the Assembly to visit its rooms, was accepted with thanks.

The Standing Committee on the Board of Church Extension, through E. J. Newlin, D. D., its chairman, presented its report, which was adopted entire without amendment, and is as follows:

The Committee to which was referred the Report of the Board of Church Extension, together with the volume containing their Minutes, respectfully reports:

That it recognizes with gratitude to God the pleasing evidences which are furnished of continued prosperity, the receipts having been $13,000, or more than 25 per cent. over any preceding year. The number of contributing churches was 1013—68 more than the preceding twelve months. The average grants of the Board have been increased from $438 to $509—nearly 16 per cent. Appropriations have been made to one hundred and nine churches, amounting to $52,149.68, leaving on file applications for aid that will require an expenditure of $53,100.

The Committee respectfully submits to the General Assembly for its action the following resolutions:

Resolved, 1. That the Assembly approves of the energy and efficiency of the Board of Church Extension for the year ending April 1st, 1869; especially in what it has done in securing by deed of trust and mortgage on real estate, that portion of the funds which had been endangered by the action of the retiring Secretary.

Resolved, 2. That it cordially commends to the prayers, sympathy, and coöperation of all our churches those interests of the Church of Christ which are represented by this Board.

The next order of the day was taken up, and the reports of the Committees on the Synodical Records were called for.

The Records of the following Synods were approved, viz., Albany, Allegheny, Baltimore, Buffalo, Chicago, Cincinnati, Illinois, Iowa, Kansas, Kentucky, Missouri, New Jersey, New York, Ohio, Pittsburgh, Philadelphia, St. Paul, Sandusky, Southern Iowa, Pacific, and Wheeling.

The Committees on the Records of the following Synods, viz., Atlantic, Indiana, Nashville, Northern India, Northern Indiana, and Wisconsin, reported that the Records of those Synods were not present in the Assembly, and the Committees were discharged.

The Committee on Bills and Overtures, through Dr. Knox, in the absence of its chairman, reported that it had received the Report of a Special Committee appointed by the Assembly of 1868, on the condition and wants of the German Theological School at Dubuque, Iowa. On motion, this report was referred to the Standing Committee on the Board of Education.

Also, Overture No. 23, from the Presbytery of Carlisle, having reference to the Statistical Tables in the Appendix to the Minutes. The Committee recommended the following:

Resolved, That it is inexpedient at the present time to make the change proposed.

The resolution was adopted.

Overture No. 42, from the Presbytery of Frankville, asking for a relaxation of the Assembly's rule in regard to receiving foreign ministers. The Committee recommends the following:

The resolution was adopted.

Adopted.

The Judicial Committee, through Rev. Samuel Miller, D. D., reported,

Case No. 1, the appeal of the church of Mifflinburg against the Synod of Philadelphia, for its action in the matter of the appeal and complaint of the Rev. Isaac Grier.

The Committee reports that this complaint must be dismissed, because no complaint will lie from the decision of a Commission of Synod until that decision has been reported to Synod and approved thereby. The Committee therefore recommends that the Assembly direct the Commission in this case to report its decision to the Synod for its action.

The report was adopted.

Case No. 2, in the matter of the memorial of the Rev. John M. Dinsmore, the Committee recommends that the whole matter complained of be referred to the Synod of Ohio, and that the Synod be directed to investigate the cause of complaint made by Mr. Dinsmore, and dispose of it as in their judgment the circumstances demand.

The recommendation was adopted.

Case No. 3, the complaint of the First Church of Wilmington against the Synod of Philadelphia, for its action in the case of said church. The papers are in order, and it is recommended that, according to the agreement of all the parties, the whole matter be referred to a Commission, which shall report its decision to the General Assembly.

The recommendation was adopted, and the following Commission appointed, viz., *Ministers*—Alexander McLean, John Lowrey, and Ira B. Condit. *Ruling Elders*—Wm. McIlvain, and George H. Nitchie.

Case No. 4, the complaint of T. W. Hynes and others, against the Synod of Illinois, for its action in sustaining the complaint of A. N. Denny and others against the Presbytery of Kaskaskia. The papers are in order, and the Committee recommends that the case be heard.

The recommendation was adopted, and the case immediately taken up. The Moderator enjoined on the members to recollect and regard their high character, as judges of a court of Jesus Christ. The sentence appealed from, and the reasons of appeal, were then read, after which the original parties were heard; Rev. J. S. Howell representing the Presbytery of Kaskaskia, and the Rev. Solomon Cook the Synod of Illinois. The Clerk then proceeded to call the roll, but before this was finished, the Assembly left it as unfinished business, and adjourned after prayer by Elder J. A. Gardner.

Ruling Elder Ryerson offered the following paper, which was unanimously adopted.

Whereas, the existing state of feeling between this country and Great Britain is a cause of profound regret and grief to all who desire to maintain peaceful and friendly relations between these two great Protestant Powers:

And *whereas*, there are no causes of difference but such as ought to be peacefully adjusted: Therefore,

Resolved, 1. That this General Assembly would earnestly exhort all Christians under its care, to offer fervent prayers to Almighty God, that he would by his Holy Spirit so enlighten and influence the understandings and hearts, and would so guide and control the conduct of the rulers and people of both these nations, that all matters of difference may be amicably settled, and a lasting peace preserved. And this Assembly would affectionately and earnestly appeal to the Christian people of Great Britain and Ireland, to join in like supplications to our common Father in heaven.

Resolved, 2. That a copy hereof be sent to the other General Assembly of the Presbyterian Church now in session in this city, with a most respectful request that it will unite with us in our efforts to preserve peace between these two Protestant nations.

The Report was left as unfinished business, and, after prayer by Dr. Henry R. Wilson, the Assembly adjourned.

The Assembly was opened with prayer by the Moderator.

Rev. J. K. Wight, Chairman, presented a minority report from the Special Committee appointed by the Assembly of 1868, (*Minutes*, p. 645), on supplementing ministers' salaries, which was read, and put upon the docket.

The Assembly took up the first order of the day for the afternoon, and heard the report of the Stated Clerk, in relation to the answers returned by the Presbyteries to the Basis of Re-union, sent down to them by the Assembly of last year. It was recommitted for correction.

The unfinished business of the forenoon, viz., the Report of the Standing Committee on the Board of Foreign Missions, was taken up. Mr. Wm. Rankin, Treasurer of the Board, by invitation, addressed the Assembly. After discussion, the Report was adopted, and is as follows:

The Committee to which was referred the Report of the Board of Foreign Missions, respectfully presents to the Assembly the following suggestions and resolutions.

It has examined with care, both the Report of the Board and the paper on the present condition of the Foreign Mission work sent up to the Assembly by the Board. The Report furnishes evidence of the

continued blessing of God upon the work of the Board, which calls for gratitude, and affords encouragement for continued and increased efforts on the part of the Church, while it rebukes her want of faith and interest in the work. Without attempting even a summary of the facts contained in the Report, the Committee desires to call attention to a few points which seem to demand the action of the Assembly. Your Committee notices with regret, the removal by death of several esteemed missionaries and respected members of the Board, and among the latter the Hon. Walter Lowrie, late senior Secretary of the Board, and recommends that the Assembly give its special sanction to the minute adopted by the Board in reference to his death.

God by his blessing upon the missions established, and by opening more and more widely the door of entrance to the heathen world, has made a demand for an increased number of labourers. He has also in a good measure made provision for the supply of these labourers by putting into the hearts of the young men and women of the Church to offer themselves for the mission work. The great question for the Church now is—shall we send out the men and women who have offered themselves to this work, and for whose labours there is such urgent need in the mission field, or shall they be kept at home? For four successive years the Board has reported a debt to the Assembly. Had it not been for a signal interposition of Providence, providing a supply outside of the contributions of the churches, the debt for this year would have been $80,000. It is evident, therefore, that the contributions of the churches are not keeping pace with the increasing demands of the work. In view of this fact the Board says it "does not feel warranted in increasing liabilities by sending out new men, or incurring other expenses, however important, without first receiving the sanction and the cordial coöperation of the General Assembly and the churches."

Your Committee is of opinion that the Assembly ought not to take the responsibility of arresting the onward progress of this work, or of refusing to send out those well qualified, who are offering themselves as labourers in it. It ought not to depart from the traditional policy of the Church, "to send out and support every qualified missionary who may be accepted for the foreign field." The Church should keep pace with the developments of God's providence, and not permit the work which he has committed to her, and upon which his blessing has so manifestly rested, to languish for want of material support. The resources of the Church are ample for the supply of all the wants of this work, if some plan could be devised to draw them forth. Your Committee has learned with regret, that the number of churches contributing to this object has decreased more than a hundred, and that the contributions from the living membership of the churches are less than those of the previous year. The special effort made in the previous year to pay off the debt, may in part account for this falling off in contributions. But the ever-expanding work of the Board demands constantly increasing contributions from the churches. Your Committee is of opinion that the pressing wants of this Board should be presented to all the members of our churches and to the children in our Sabbath-schools, and that they be urged to increase their gifts to an extent commensurate with the wants of the Board.

Your Committee recommends to the Assembly the adoption of the following resolutions:

Resolved, 1st. That the Report of the Board be approved and published, with the accompanying paper on the present condition of the Foreign

Mission work, and recommended to the prayerful perusal of the ministers and members of our churches.

2d. That the success which has hitherto attended this work, and the marked providences by which God has in the past intervened to provide the means to carry it on, should encourage the Board to go forward—with a true economy—but with fidelity to the high trust committed by God and the Church to its care. And the members of this Assembly hereby promise the Board their hearty sympathy and cordial coöperation, and pledge their influence with their several Presbyteries to sustain this work.

3d. That the present cost of exchange greatly increasing the expenses of the missionary work, and rendering necessary enlarged contributions, the pastors of churches are requested to bring this fact to the attention of the churches, and urge them to make their contributions on a gold basis.

4th. That it be earnestly recommended to the several Presbyteries, to take measures to secure contributions for this object from each of their churches.

5th. That gratefully recognizing the aid already given by the children of the Church, and believing that this field systematically and faithfully cultivated, may be made to produce a still richer harvest, this Assembly earnestly requests the pastors and superintendents to see that the children of all our Sabbath-schools are carefully instructed in their duty to aid in giving the gospel to the heathen, and that they have frequent opportunities to contribute to this work.

6th. That recognizing our dependence upon God and the aid of the Holy Spirit for the success of all our efforts, we would urge upon all the members of our churches the duty of more frequent, earnest, and united prayer for the Divine blessing upon the Board, missionaries, and those for whom they labour.

On motion of the Rev. G. S. Plumley, the following resolution was adopted.

Resolved, That the Assembly recommends that the week in 1870, commencing January 2d, and including Sabbath, January 9th, be set apart as a "week of prayer" for the conversion of the world.

On motion, it was

Resolved, That the Stated Clerk be authorized to receive a supplemental report on the subject of reunion from the Stated Clerk of the Presbytery of Long Island.

The Rev. Robert Hamill, D. D., chairman of the Standing Committee on the Board of Education, presented its Report, which was accepted.

The Rev. William Speer, D. D., Secretary of the Board, by invitation addressed the Assembly.

The report was adopted unanimously, and is as follows:

The Committee on the Board of Education respectfully reports the following, viz.

(I.) It has examined the Records of the Board and of its Executive Committee, and finds them giving a satisfactory exhibit of their business operations for the year, and recommends that they be approved.

(II.) It has examined the Annual Report of the Board, from which it has learned with deep regret of the loss by death during the year of two honoured and judicious members of the Board, viz. Rev. Drs. Joseph H. Jones and Phineas D. Gurley.

From this report it is further evident that the work of the Board has been conducted with its wonted fidelity and vigour during the year.

There have been received during the year 84 new candidates, making the whole number 334, being 40 more than during the year 1868, and 75 more than during the year 1867. During the same period the receipts of the Board have been $38,378.38, being a small increase upon last year. From these statistics it will be seen that the Board will need largely increased contributions from the churches during the coming year.

(III.) There has also been placed in the hands of the Committee a "Semi-Centennial Report of the Board to the Assembly," containing a practical summary of the principles and work of the Board from its organization to the present time; a document full of interest, gotten up with great labour and care, and one that will well repay a careful perusal by all into whose hands it may come. The Committee strongly commends its facts, its figures, and its timely suggestions to the serious consideration and attention of the Church.

From a glance at the statistics of this document, the following, among other interesting facts appear, viz., that this Board has received from its origin to the present time, from the churches by collections and legacies, $1,533,274; from which it has aided 3606 candidates for the gospel ministry, in part sustaining each for the average term of four and three-quarter years, at an average expenditure of eighty-five dollars per year. As nearly as can be gathered from the records, the number of *failures* on the part of candidates to reach the ministry, from incapacity, defects in doctrine, impropriety of conduct, &c., has been as one to thirty, a per centage of success in accomplishing its work that has perhaps been exceeded by no other religious instrumentality known. It further appears that this Board by its aid has supplied our Church with nearly one-half of its ministers; our foreign field with one-half its missionaries, and our Domestic Board with more than one-half of its self-denying labourers.

With this statement of facts your Committee recommends the adoption of the following resolutions, viz:

Resolved, 1. That the Annual Report of the Board, and the fidelity of its officers, be approved. and that the Report, together with the Semi-Centennial Review, be published, and a copy of each be sent to every minister and to each church session.

Resolved, 2 That the Assembly on this, *the fiftieth anniversary* of the Board, records, with devout gratitude to God, the favour he has shown it hitherto in the execution of its work, while it cherishes the hope that what has been done is but the beginning of greater things yet to be accomplished.

Resolved, 3. That in view of the wide-spread fields already white to the harvest, the increasing demand for faithful labourers, the paucity of self-sacrificing ministers, and the insufficiency of the means of the Board to meet its growing demands, Christian parents are earnestly counselled more faithfully to dedicate their sons to, and educate them for the work of the gospel ministry; and the pastors and sessions of our churches are enjoined to coöperate in faithful efforts to secure an increase in the alms, the prayers, and the sympathy of the Church for these objects.

Resolved, 4. That the unprecedented developments of Divine providence in this age, and the necessity of instructing and training those who are to be labourers in the coming harvest, seem to indicate to our theological schools the importance of devoting in each a separate chair to Evangelistic Theology, the design of which shall be the instruction of students for the ministry in those special portions of the Scriptures which relate to the aggressions of the Church in this latter day upon the great systems of sin in the world; upon the duties of pastors, and other officers of the Church

as related to those subjects, and upon the organization and operations of the various departments of the Church's work, and upon the fields of usefulness and nature of the employments to which they may be called in the publication of the gospel and the communication of its blessings to the human race.

Resolved, 5. That in order to the more faithful supervision of candidates, it is enjoined upon each Presbytery that has not yet done it, to appoint a standing committee for this purpose, whose duty it shall be to exercise a pastoral care over its candidates, to hold correspondence with them, to receive reports of their standing and progress from their instructors, and annually to report the same to Presbytery; which report, as it shall be favourable or otherwise, shall be the basis of renewing or declining to renew their recommendation for aid to the Board.

Resolved, 6. That as the duty of introducing young men as candidates to the notice of Presbytery devolves primarily upon pastors, they are earnestly requested to satisfy themselves as far as possible by proper observations, as to the moral, mental, and prudential fitness of any proposed candidate, before introducing him to the notice of Presbytery.

Resolved, 7. That sensible of our dependence upon the God of all grace, who has the hearts of all men in his hands, to fit and designate men for the work of the gospel ministry, and recognizing with gratitude and encouragement the fact that He has been pleased in times past to hear the united prayers of His people in this behalf, the Assembly does hereby recommend that all our churches unite in observing *the last Thursday of February* as a day of special prayer for the families, the schools, the colleges, and the seminaries of our land, that God would pour out his Spirit upon them, regenerate our youth, and from their numbers supply labourers for the harvest.

Resolved, 8. That in view of the vast increase of the German and French population, and the growing demand for Christian education and instruction among them, the Assembly earnestly commends the educational movements of the Board among these people to the increased sympathies and prayers of the Church.

Resolved, 9. That in view of the earnest calls for faithful and intelligent labourers among the German population, and the remarkable results that have accrued from the work of the Theological School at Dubuque, the Assembly reiterates its sense of the importance of this institution, and specially commends it to the liberality of our churches.

Resolved, 10. That the expediency of adopting a plan by which to secure to this school the facilities for giving its students a thorough literary as well as theological training, as well as of transferring it to the care of the General Assembly, be referred to the Board of Education to consider and report upon to the next General Assembly.

In answer to the overture from the pastors and churches of Springfield, Illinois, referred to the Committee, in regard to the removal of this school to that place, the Committee recommends the following:

Resolved, That as the success of this school, owing to its surroundings, seems to be identified with its present location, the Assembly deems it unwise to counsel its removal.

A communication was received from the American Bible Society inviting the Assembly to visit the Bible House. It was accepted with thanks.

A communication was received from the General Synod of the Reformed (late Dutch) Church, in reference to a National Council of Evangelical

Churches, which was referred to a special Committee consisting of—*Ministers*, J. B. Waterbury, D.D., T. H. Skinner, Jr., D. D., Samuel Miller, D. D.; *Ruling Elders*, A. B. Belknap, J. T. Nixon.

The paper is as follows:

To the Assemblies, Synods, and Judicatories of the several branches of the Evangelical Catholic Church in the United States, greeting:

At its session in the city of Hudson, New York, held June, 1868, the General Synod of the Reformed Church in America, adopted, by a unanimous vote, the following circular letter:

NATIONAL COUNCIL OF EVANGELICAL CHURCHES.

Whereas, The Constitution of the Church confides to the General Synod the duty of "regulating and maintaining a friendly correspondence with the highest judicatories or assemblies of other religious denominations, for the purpose of promoting union and concert in general measures which may be calculated to maintain sound doctrine, prevent conflicting regulations relative to persons under censure of the judicatories of other denominations, and to produce concert and harmony in their respective proceedings to promote the cause of piety and religion."

And *whereas*, It is the conviction of this Synod that wholesome fraternal measures may be adopted for combining and unifying the evangelical denominations in support of the common doctrines of Christianity, without involving any surrender of the distinctive features and individual characteristics of these denominations.

And *whereas*, The doctrinal and governmental system of the Reformed Church is broad and catholic, presenting a basis on which general measures for the promotion of piety and religion may be prosecuted, therefore

Resolved, That this Synod hereby appoints a committee of three ministers and three elders, to present, in its behalf, to the highest judicatories and assemblies of other evangelical denominations, at their next annual meetings, for their consideration and adoption, the following plan of a National Council of the evangelical denominations in these United States:

1st. Such Council shall have for its great object the concerting of proper measures for promoting, *not* organic, but fraternal union, for the maintenance of the common doctrines and ethics of the Christian Church, whose one head is the Lord Jesus.

2d. That its powers shall be simply advisory, and be exercised, not for the purpose of assailing what any denomination represented therein may regard as necessary to its welfare, but to secure concert of action for the furtherance of the gospel, by diminishing sectarian rivalries and oppositions.

3d. Such Council, when convened, may consider and recommend such general measures as may tend to give expression to the proper and essential unity of all who love the Lord Jesus Christ, whether in this or other lands, and draw them closer together in aggressive labours to bring the whole world into subjection to Christ.

4th. The Council shall be a delegated body, and may consist of five representatives—three ministers and two laymen—from each evangelical denomination acceding to this recommendation, but no denomination, as such, shall be held responsible, in any legislative sense, for what the Council may choose to recommend.

5th. The Council shall meet, provided the higher judicatories and assemblies of sister Churches accede to this suggestion, on the third Tues-

day of October, 1869, in the city of New York, at ten o'clock A. M., in the Reformed Church on Washington Square.

The President, Adsessor, Stated Clerk of this Synod, with the Elders, Robert H. Pruyn, Sandford Cobb, and Frederick T. Frelinghuysen, were appointed a Committee to carry the above into effect.

The undersigned, President and Stated Clerk of the Synod, have been directed by the Committee above named to forward the foregoing paper to your reverend body, and request for it a favourable consideration.

The state of Christianity in our country, in its relation to anti-Christian forces, seems to encourage an effort to secure a coöperation among all who "hold the faith," in measures fitted to meet the exigencies of the times.

Hoping that your reverend body may be willing to take the action suggested in the preceding paper, we subscribe ourselves as yours in fraternal bonds,

ELBERT S. PORTER, *President of General Synod.*
DAVID D. DEMAREST, *Stated Clerk.*

New York, May 1869.

The Committee on Devotional Exercises presented a recommendation for a joint communion season of the two Assemblies, next Friday afternoon, in the Brick Church, which was adopted.

The Assembly took up the unfinished business of yesterday afternoon, the consideration of Judicial Case, No. 4. The Clerk continued the calling of the roll. Before concluding, the Assembly adjourned with prayer by the Rev. Albert Williams.

WEDNESDAY MORNING, May 26, 9½ o'clock.

The Assembly spent, according to appointment, an hour in joint devotional exercises with the Assembly of the other branch, in the Church of the Covenant. At half-past nine o'clock A. M., the business sessions were opened in the Brick Church with prayer by the Moderator.

The minutes of yesterday were read and approved.

The Stated Clerk called for the supplementary report on re-union from the Presbytery of Long Island, which he was directed by a resolution of yesterday to receive. On examination, he rejected it as informal; and both papers being read, it was ordered by the Assembly that the first report, already incorporated by the Stated Clerk, be taken as the regular answer of that Presbytery.

The first order of the day was taken up, and Dr. Marshall, chairman of the Standing Committee on the Disabled Ministers' Fund, presented its report, which was accepted.

The Rev. George Hale, D. D., Secretary of the Fund, by invitation addressed the Assembly.

At this point the order of the day was suspended, and ordered to be continued as the first business of the afternoon.

A letter was received from Rev. N. West, D. D., Professor in the Theological Assembly at Danville, proffering his resignation of the chair filled by him in that Institution, on the ground of inadequate support. It was referred to the Standing Committee on Theological Seminaries.

On motion, the Assembly took up the third order of the day, viz., the hearing of Delegates from Corresponding Bodies. The Rev. W. J. R. Taylor, D. D., delegate from the General Synod of the Reformed (late

Dutch) Church, and the Rev. W. Ormiston, D. D., of the Synod of the Canada Presbyterian Church, addressed the Assembly, and were severally responded to by the Moderator.

It was made the order of the day for half-past ten o'clock to-morrow forenoon, to hear the report of the Special Committee of ten, appointed to confer on Reunion with the other branch, and in order to this, the former order to take up the report on Domestic Missions at ten o'clock A. M. to-morrow, was postponed.

The Assembly adjourned, after prayer by the Rev. T. H. Skinner, Jr., D. D., until half-past two o'clock, P. M.

WEDNESDAY AFTERNOON, 2½ o'clock.

The Assembly was opened with prayer by the Rev. Willis Lord, D. D.

The Rev. Calvin W. Stewart offered a resolution in reference to the propriety of issuing an answer to the Pope's Encyclical Letter, which was referred to the Committee on Bills and Overtures.

The Assembly again proceeded to the hearing of Delegates from Corresponding Bodies. The Rev. William Bruce, delegate from the United Presbyterian Church, addressed the Assembly. The Rev. William Adams, D. D., and the Hon. William E. Dodge, delegates from the other Branch, were received by the Assembly standing, and addressed the body. These delegates were all responded to by the Moderator in the interchange of fraternal salutations.

On motion of Dr. Skinner, it was agreed to hold joint devotional exercises of the two Assemblies in this house to-morrow morning, from half-past eight to half-past nine o'clock.

The Report of the Standing Committee on the Disabled Ministers' Fund was again taken up, and adopted, as follows:

Your Committee finds the Report opening with an acknowledgment of the afflictive visitation of the Master, in the removal, by death, of the Rev. Jos. H. Jones, D. D., for many years the faithful and efficient Secretary of the Committee in charge of this important work. The Trustees but utter a pleasant fact, and pay a well-merited tribute to his memory, when they say in this report, "He is especially honoured with grateful esteem by some now in glory, and others yet on earth, whose hearts have been cheered by his ministrations as Secretary of this Committee." And, again, that the "success that has attended this scheme of benevolence is due as much to the untiring devotion and assiduity of Dr. Jones, as to any other agency." And, doubtless, this General Assembly will cordially endorse this remembrance of one so good and so useful, now departed.

Your Committee is pleased to observe, from the Report, that this important cause is still advancing its place in the serious attention and the benevolent action of our people.

The receipts of this fund for the last year were: From contributions of churches, $32,772.34; miscellaneous, $1,189.64; which, with the interest on Permanent Fund and a balance from preceding year, make a total of $39,840.78; add receipts to May 18, 1869, $4,125.65; amount, $43,966.43; deduct paid out to May 18, 1869, $40,357.35, and there remained in the Treasury on the 18th of May, 1869, $3,609.08.

It is especially gratifying to notice that the receipts from churches are $6,850.62 in advance of the receipts from that source the preceding year; and that this result was produced largely by an increase in the number of churches making contributions.

We are further gratified to observe, from this well prepared Report, that for twenty years this scheme has steadily advanced in all the conditions of its efficiency—even growing from a feeble to a great agency for charitable relief. God thus revealing, in the sympathies of his people, fidelity to his promise; Divine care for his servants, and approbation upon this scheme of the Church. And in the influence of that same spirit, producing still further growth of Christian sympathy and benevolent action, we confidently trust, for the continued prosperity and needful enlargement of this work.

The Committee recommends to this Assembly the adoption of the following:

Resolved, 1. That in the constant and increasing prosperity of this cause, the General Assembly recognizes both the approbation of the Master, and an emphatic intimation of the Church's duty to prosecute the scheme vigorously and sustain it liberally.

Resolved, 2. That, believing its object to be as yet but very imperfectly attained, the General Assembly earnestly reiterates the injunctions which, in former years, it laid upon churches and Presbyteries.

The Committee on Commissions reported that Ruling Elder D. B. McCartee, M. D., had presented his commission and been enrolled as a Commissioner from the Presbytery of Ningpo.

Judicial Case No. 4 was again taken up, and the Clerk proceeded with the calling of the roll, but before completing it, the subject was again left as unfinished business.

The Assembly adjourned, after prayer by Ruling Elder John McArthur.

THURSDAY Morning, May 27, 1869, 8½ o'clock.

The Assembly, according to appointment, spent an hour in joint devotional exercises with the Assembly of the other branch. At half-past nine o'clock the business sessions were opened with prayer by the Rev. C. C. Beatty, D. D.

The minutes of yesterday were read and approved.

The Rev. Alex. McLean, Chairman of the Commission on Judicial Case No. 3, presented its report, which was adopted, and is as follows:

The Commission appointed to consider the complaint of David Chandler, Ruling Elder, of the First Church of Wilmington, Del., against the action of the Synod of Philadelphia, recommends,

1st. To sustain the action of the Synod; and,

2d. To advise that, if Mr. Armstrong, as alleged, refuses to act as a Ruling Elder, and has left the Church, Mr. Chandler constitutes the Session of the First Church of Wilmington, and is entitled to act as such.

Judicial Case No. 4 was again taken up, and the Clerk proceeded with the calling of the roll. The vote was then taken, and the complaint was not sustained. This vote condemned the following plan, adopted by the Session of the church of Greenville, Presbytery of Kaskaskia.

"Art. 1. The members of this church will meet on the —— day of ————, A. D. ———, and at said meeting the following question shall be submitted for their vote and decision: 'Is it your pleasure that any change or increase of number shall be made in the acting eldership of this church?'

"2. If the vote on the above question shall be in the negative, the matter shall there end.

"3. If the vote on the aforesaid question shall be in the affirmative, then the church shall proceed to cast their ballots for ruling elders to represent them in the session of the church.

"4. If any of the members of the existing session shall receive a majority of the votes thus cast, they shall continue to be and act as ruling elders in that congregation.

"5. If any of the acting elders of the church shall not receive a majority of the votes thus cast, then they shall, upon their consent, and the required record to be made by the session, (*Form of Government*, chap. 13, § 7,) cease to be acting elders.

"6. If any acting elder shall fail to receive a majority of the votes cast at said election, and shall not concur in the will of the church, thus expressed, then the matter shall be referred to the Presbytery, for its advice in the premises.

"7. If any person or persons, not previously acting as ruling elders, shall receive a majority of votes cast at said election, then such person or persons shall be installed, or ordained and installed, as the case may be.

"8. Triennially, after the meeting above provided for, or as nearly triennially as the session shall judge to be suitable to the convenience and wishes of the congregation, there shall be a similar meeting of the church, to be called by order of the session, after public notice from the pulpit, at which the same question shall be proposed and voted upon by the church, and the same proceedings had, as are provided for in the foregoing articles."

Dr. Musgrave, Chairman of the Committee of Conference on Reunion with the other branch, presented its Report, which was accepted. The Moderator called upon the Rev. John Hall, D. D., of New York, to lead the Assembly in prayer for Divine guidance in reference to the important subject before the body, which he did.

The Assembly adjourned, after prayer by Rev. L. H. Atwater, D. D.

THURSDAY AFTERNOON, 2½ o'clock.

The Assembly met, and was opened with prayer by Rev. Alex. McLean.

The Assembly took up the unfinished business of this forenoon, viz., the consideration of the Report of the Committee on Conference about Reunion, Dr. Skinner having the floor. After discussion, it was ordered that the vote be taken by yeas and nays on the calling of the roll.

The vote was then taken, with the following result:

The Report thus adopted is as follows:

The Committee of Conference appointed by the two General Assemblies has attended to the duty assigned to it; and after a very free interchange of views, with prayer to Almighty God for his guidance, is unanimous in recommending to the Assemblies for their consideration, and, if they see fit, their adoption, the accompanying three papers, to wit:

1. Plan of Reunion of the Presbyterian Church in the United States of America;
2. Concurrent Declarations of the General Assemblies of 1869; and
3. Recommendation of a Day of Prayer.

I. PLAN OF REUNION OF THE PRESBYTERIAN CHURCH IN THE UNITED STATES OF AMERICA.

Believing that the interests of the Redeemer's kingdom would be promoted by the healing of our divisions, and that the two bodies bearing the same name, having the same Constitution, and each recognizing the other as a sound and orthodox body according to the principles of the Confession common to both, cannot be justified by any but the most imperative reasons in maintaining separate and, in some respects, rival organizations; we are now clearly of the opinion that the reunion of those bodies ought, as soon as the necessary steps can be taken, to be accomplished, upon the Basis hereinafter set forth:

1. The Presbyterian Churches in the United States of America, namely, that whose General Assembly convened in the Brick Church in the city of New York, on the 20th day of May, 1869, and that whose General Assembly met in the Church of the Covenant in the said city, on the same day, shall be re-united as one Church, under the name and style of the Presbyterian Church in the United States of America, possessing all the legal and corporate rights and powers pertaining to the Church previous to the division in 1838, and all the legal and corporate rights and powers which the separate Churches now possess.

2. The reunion shall be effected on the doctrinal and ecclesiastical basis of our common Standards; the Scriptures of the Old and New Testaments shall be acknowledged to be the inspired word of God, and the only infallible rule of faith and practice; the Confession of Faith shall continue to be sincerely received and adopted as containing the system of doctrine taught in the Holy Scriptures; and the Government and Discipline of the Presbyterian Church in the United States shall be approved as containing the principles and rules of our polity.

3. Each of the said Assemblies shall submit the foregoing Basis to its Presbyteries, which shall be required to meet on or before the 15th day of October, 1869, to express their approval or disapproval of the same, by a categorical answer to the following question:

Do you approve of the reunion of the two bodies now claiming the name and rights of the Presbyterian Church in the United States of America, on the following basis, namely: "The reunion shall be effected on the doctrinal and ecclesiastical basis of our common Standards; the Scriptures of the Old and New Testaments shall be acknowledged to be the inspired

word of God, and the only infallible rule of faith and practice; the Confession of Faith shall continue to be sincerely received and adopted as containing the system of doctrine taught in the Holy Scriptures; and the Government and Discipline of the Presbyterian Church in the United States shall be approved as containing the principles and rules of our polity"?

Each Presbytery shall, before the 1st day of November, 1869, forward to the Stated Clerk of the General Assembly with which it is connected, a statement of its vote on the said Basis of Reunion.

4. The said General Assemblies now sitting shall, after finishing their business, adjourn, to meet in the city of Pittsburgh, Pennsylvania, on the second Wednesday of November, 1869, at eleven o'clock, A. M.

If the two General Assemblies shall then find and declare that the above-named Basis of Reunion has been approved by two-thirds of the Presbyteries connected with each branch of the Church, then the same shall be of binding force, and the two Assemblies shall take action accordingly.

5. The said General Assemblies shall then and there make provision for the meeting of the General Assembly of the united Church on the third Thursday of May, 1870. The Moderators of the two present Assemblies shall jointly preside at the said Assembly of 1870 until another Moderator is chosen. The Moderator of the Assembly now sitting at the Brick Church aforesaid, shall, if present, put all votes, and decide questions of order; and the Moderator of the other Assembly shall, if present, preach the opening Sermon; and the Stated Clerks of the present Assemblies shall act as Stated Clerks of the Assembly of the united Church until a Stated Clerk or Clerks shall have been chosen thereby; and no Commissioner shall have a right to vote or deliberate in said Assembly until his name shall have been enrolled by the said Clerks, and his commission examined and filed among the papers of the Assembly.

6. Each Presbytery of the separate Churches shall be entitled to the same representation in the Assembly of the united Church in 1870 as it is entitled to in the Assembly with which it is now connected.

II. CONCURRENT DECLARATIONS OF THE GENERAL ASSEMBLIES OF 1869.

As there are matters pertaining to the interests of the Church when it shall have become re-united, which will manifestly require adjustment on the coming together of two bodies which have so long acted separately, and concerning some of which matters it is highly desirable that there should be a previous good understanding, the two Assemblies agree to adopt the following declarations, not as articles of compact or covenant, but as in their judgment proper and equitable arrangements, to wit:

1. All the ministers and churches embraced in the two bodies should be admitted to the same standing in the united body, which they may have held in their respective connections, up to the consummation of the union.

2. Imperfectly organized churches are counselled and expected to become thoroughly Presbyterian, as early within the period of five years as may be permitted by the highest interests to be consulted; and no other such churches shall be hereafter received.

3. The boundaries of the several Presbyteries and Synods should be adjusted by the General Assembly of the united Church.

4. The official records of the two branches of the Church for the period of separation should be preserved and held as making up the one history of the Church; and no rule or precedent which does not stand approved by both the bodies, should be of any authority until re-established in the

united body, except in so far as such rule or precedent may affect the rights of property founded thereon.

5. The corporate rights now held by the two General Assemblies, and by their Boards and Committees, should, as far as practicable, be consolidated, and applied for their several objects as defined by law.

6. There should be one set of Committees or Boards for Home and Foreign Missions and the other religious enterprises of the Church; which the churches should be encouraged to sustain, though free to cast their contributions into other channels if they desire to do so.

7. As soon as practicable after the union shall have been effected, the General Assembly should reconstruct and consolidate the several Permanent Committees and Boards which now belong to the two Assemblies, so as to represent, as far as possible with impartiality, the views and wishes of the two bodies constituting the united Church.

8. The publications of the Board of Publication and of the Publication Committee should continue to be issued as at present, leaving it to the Board of Publication of the united Church to revise these issues and perfect a catalogue for the united Church, so as to exclude invidious references to past controversies.

9. In order to a uniform system of ecclesiastical supervision, those Theological Assemblies that are now under Assembly control, may, if their Boards of Direction so elect, be transferred to the watch and care of one or more of the adjacent Synods; and the other Seminaries are advised to introduce, as far as may be, into their Constitutions, the principle of Synodical or Assembly supervision; in which case they shall be entitled to an official recognition and approbation on the part of the General Assembly.

10. It should be regarded as the duty of all our judicatories, ministers, and people in the united Church, to study the things which make for peace, and to guard against all needless and offensive references to the causes that have divided us; and in order to avoid the revival of past issues by the continuance of any usage in either branch of the Church, that has grown out of former conflicts, it is earnestly recommended to the lower judicatories of the Church that they conform their practice in relation to all such usages, as far as is consistent with their convictions of duty, to the general custom of the Church prior to the controversies that resulted in the separation.

III. RECOMMENDATION OF A DAY OF PRAYER.

That the counsels of Infinite Wisdom may guide our decisions, and the blessing of the Great Head of the Church rest upon the result of our efforts for reunion, it is earnestly recommended to the churches throughout both branches of the Presbyterian Church, that they observe the second Sabbath in September, 1869, as a day of fervent and united prayer to Almighty God, that he would grant us all "the spirit of counsel and might, the spirit of knowledge and of the fear of the Lord," and in the new relations now contemplated, enable us to "keep the unity of the Spirit in the bonds of peace."

On motion of Ruling Elder Henry Day, it was

Resolved, That in pursuance of the foregoing action of this General Assembly, the Basis of Reunion now adopted be sent down to the Presbyteries for their approval or disapproval, and each Presbytery is hereby required to meet on or before the 15th day of October, 1869, to express its approval or disapproval of the same by a categorical answer to the following question:

Do you approve of the reunion of the two bodies now claiming the name and rights of the Presbyterian Church in the United States of America,

on the following basis, viz: "The reunion shall be effected on the doctrinal and ecclesiastical basis of our common Standards; the Scriptures of the Old and New Testaments shall be acknowledged to be the inspired word of God, and the only infallible rule of faith and practice; the Confession of Faith shall continue to be sincerely received and adopted as containing the system of doctrine taught in the Holy Scriptures; and the Government and Discipline of the Presbyterian Church in the United States shall be approved as containing the principles and rules of our polity"?

Each Presbytery is also hereby required, before the first day of November, 1869, to forward to the Stated Clerk of this General Assembly a statement of its vote on the said Basis of Reunion.

Ordered, that members absent during the calling of the roll be permitted to have their votes recorded on application to the Permanent Clerk.

It was ordered that the above result be officially announced to the Assembly of the other branch.

The Assembly adjourned after prayer by the Rev. A. G. Hall, D. D.

To the Moderator of the General Assembly meeting at the Brick Church, New York.

Reverend and Dear Brother,

It gives me pleasure to inform you, as instructed by the General Assembly meeting at the Church of the Covenant, New York, that the Report of

the Joint Committee of Twenty on Reunion was, at the close of the sessions of the Assembly this afternoon, unanimously adopted; and that the Rev. William Adams, D. D., and the Hon. William Strong were appointed to communicate this action to the venerable Assembly over which you preside.

The report was adopted.

Ruling Elder Morris Patterson, Chairman of the Committee on Mileage, presented its report, which was adopted, as follows:

The Committee on Mileage would respectfully report that there has been paid into the treasury the sum of $1064.65, which, with an existing balance of $25.23 from last year, makes the sum of $1089.88. That there have been travelled by the Commissioners coming to this Assembly, who claim mileage, 35,099 miles, which at three (3) cents per mile, makes the sum of $1052.97, leaving a balance of $26.91. They therefore recommend that the Assembly directs its Trustees to draw an order on their Treasurer for said amount, and that he pay it out in the manner and sums herein stated. Provided that no Commissioner shall receive more than his expenses in coming to and returning from this Assembly.

Yet your Committee rejoices that a change has been made in several of the surrounding cities, and that a general order has been sent forth requiring a change in all the principal cities of our country; also, that the President of the United States has ordered such a change in the District of Columbia.

The Assembly, after prayer by the Rev. W. M. Robinson, adjourned to Monday at nine o'clock, A. M.

Ruling Elder Charles C. Converse presented a protest, signed by himself, against the action of this General Assembly on the subject of Reunion with the other branch: On motion, the protest was admitted to record. It was further

Resolved, That it is the sense of this Assembly that said protest requires no answer.

The protest is as follows:

The undersigned respectfully requests that the following protest be entered upon the minutes of this Assembly:

I do not protest against an organic union of the two branches of our Church, but against the Plan of Reunion approved and adopted by this Assembly, and for the following reasons:

1st. This Plan requires us to ignore doctrinal and other differences between the two branches of our Church, which our General Assemblies have recognized and condemned.

2d. It recognizes the individuality of the two branches of our Church as existing and continuing to exist subsequently to the proposed reunion.

3d. It provides for the meeting of a General Assembly in the year 1870, and that said General Assembly shall be unconstitutionally organized.

4th. It recognizes the Moderator of the present New School General Assembly to be the only legally constituted Moderator of the said General Assembly of 1870, and as being the sole possessor of the moderatorship of the present Old-School and New-School General Assemblies, by conceding his right to open—and providing that he shall open—said General Assembly of 1870 with the only form of opening authorized by the Constitution of the Presbyterian Church in the United States of America.

I respectfully protest, also, against the hasty action of this Assembly concerning the said Plan of Union, which plan I was constrained to accept, or reject, in its entirety, without being allowed sufficient time for its due consideration.

It is because I desire the formation of an organic union of the two branches of our Church—a union upon such a basis as would render it peaceful and permanent, that I submit, most respectfully, this protest to the judgment of this Assembly and of the churches.

CHARLES C. CONVERSE.

The Rev. S. I. Prime, D. D., Secretary of the American Branch of the Evangelical Alliance, by leave of the Assembly, made a brief statement of the operations and plans of the Alliance. At the close of his remarks, the Rev. John Hall, D. D., offered the following resolutions, which were unanimously adopted, as follows:

Resolved, 1. That this Assembly has heard with great satisfaction that

the Evangelical Alliance of the United States has invited a conference of evangelical Christians in this country to meet in the city of New York in the ensuing autumn, and a general conference of evangelical Christians in all the earth, to assemble in the same city of New York, in the autumn of 1870; and it will unite its prayers with those of Christ's people everywhere, that the Holy Spirit may guide their counsels, and lead to wise results for the advancement of the Redeemer's kingdom.

Resolved, 2. That the principles of the Protestant Reformation, identified as they are with the progress of religious liberty, education, and Christianity in the earth, are increasingly precious in our eyes; and we call upon our ministers and people to watch with jealous care the efforts of Romanism in the United States, and by the employment of all suitable means, to resist the insidious attempts of Roman Catholics to obtain undue influence in this country.

The Committee on Bills and Overtures reported

Overture No. 6. From the Presbytery of Rock River, being a question of interpretation of the *Book of Discipline*, chapter v., section 4.

The Committee recommends the following answer:

When it is alleged that a minister has committed an offence in the bounds of a Presbytery of which he is not a member, the Presbytery in the bounds of which it is alleged the offence was committed, has performed its entire duty in the premises when it notifies the Presbytery to which he belongs, of the allegation and the grounds on which the allegation is based.

The report was adopted.

Overtures Nos. 12 and 39. From the Presbytery of Dubuque and the Synod of Illinois, touching the injunction of the last Assembly to report concerning unbaptized children.

The Committee recommends that the first part of this overture be referred to the Standing Committee of the Assembly on the Board of Domestic Missions; and that as to the second part, it be stated that in the judgment of this Assembly the action of the Assembly of 1867 on unbaptized children is sufficiently definite.

The report was adopted.

Overture No. 19. From the Synod of Illinois, in reference to a system of assessment for defraying the travelling expenses of Commissioners to the General Assembly. The Committee recommends the following: That no action is deemed expedient under existing circumstances.

The report was adopted.

Overture No. 21. From the Presbytery of Warren, asking the Assembly to appoint a Committee to report to the next Assembly a plan of sustentation similar to that of the Free Church of Scotland.

The Committee recommends that no action be deemed expedient on this subject under existing circumstances.

The report was adopted.

Overture No. 25, from the Presbytery of Marion, asking:

Can a Presbytery, under any circumstances, rescind its action in the reception of a member? The Committee recommends the following answer:

It appears, in the case referred to in this overture, that a minister, having taken a qualified letter of dismission from his Presbytery, was received by the Presbytery to which he was dismissed, upon other testimonials.

It is the opinion of this Assembly,

1. That no Presbytery has the right to grant qualified letters of dismission to any of its members.

2. That no Presbytery can receive a minister except upon a letter of dismission from the Presbytery to which he belongs.

3. That the action of the Presbytery, in the case referred to, in receiving said minister, being void, the proper course would have been to strike his name from the roll, and notify the Presbytery to which he belonged of his irregularity.

The report was adopted.

Overture No. 26, from a Commissioner in this Assembly, asking how many ministers and ruling elders must sign the call for a *pro re nata* meeting of a Synod?

Answer. No provision is made in the Constitution for the calling or holding of *pro re nata* meetings of Synod.

The report was adopted.

Overture No. 32, from the Presbytery of Indianapolis, as follows:

Whereas, The Presbytery of Nassau and the Synod of New York have admitted to a seat on their floor an elder whose name appears among the signers of the Declaration and Testimony.

And *whereas*, the said action is in defiance of the Act of the Assembly of 1866, commonly known as the *ipso facto* act; therefore,

Resolved, That this Presbytery does hereby memorialize the next General Assembly to enforce said act against the said Presbytery and said Synod, or, if preferred, repeal the said act altogether, if the necessity for it has passed.

The Committee recommends the following answer: The *ipso facto* order of 1866 having ceased to exist by the terms of its own limitation, with the meeting of the Assembly in 1867, no action is necessary or possible in the case referred to in the overture.

The report was adopted.

Overture No. 35, from the Presbytery of Northumberland, asking the approval of this General Assembly for its reception of the Rev. Archibald Heron, a foreign minister.

The Committee reports that it finds his credentials clear, the proceedings of Presbytery in the case orderly, and recommends that the approval of the Assembly be given.

The report was adopted.

Overture No. 36, from the Presbytery of Iowa, asking the Assembly to make it the duty of every church to give a letter of dismission to every member when removing to another locality where there is a Presbyterian church, &c. The following answer was adopted:

The Committee recommends that it be enjoined upon the sessions of our churches, on the removal of any members beyond the boundaries of their own organizations, to furnish such members, whether in full communion or members by baptism only, with testimonials of their standing; which testimonials it shall be the duty of such persons at once to present to some church of our connection, and the sessions shall earnestly counsel these members to transfer their relation immediately, if practicable, or at the earliest opportunity.

Also, that in case but a single organization of our order is within reach of the parties so removed, the sessions having care of them shall transmit to that church session a copy of the testimonials foregoing; if there be more than one such organization, then the parties transferred may elect to which organization these testimonials shall be sent.

Overture No. 41, from Commissioners from Kentucky in reference to sundry decisions of the civil courts in regard to ecclesiastical affairs.

The overture was placed upon the docket.

Overture No. 46, from the session of the Presbyterian church at Ironton, Missouri, in reference to the power of the Presbytery to declare that a member of the session shall cease to be an acting elder without any request from the session or any members of the church.

The Committee would recommend the following answer. (See *Form of Government*, chap. x. sec. 8.) Presbytery has power to visit particular churches for the purpose of inquiring into their state, and redressing the evils that may have arisen in them, and to order whatever pertains to their spiritual welfare, without being requested by the session.

The report was adopted.

Overture No. 48, from ministers and ruling elders of the Synod of Atlantic, in relation to its organization.

The Committee recommends that, inasmuch as the Assembly has already acted on this subject, no further action is necessary.

The report was adopted.

Overture No. 49, being a memorial on behalf of the First Presbyterian Church of Kansas City in the Presbytery of Lafayette, asking for authority to be given to certain parties.

The Committee recommends the adoption of the following:

Resolved, That Philip S. Brown, James Craig, and J. V. C. Karnes, Trustees of the First Presbyterian Church (O. S.) of Kansas City, Missouri, in the Presbytery of Lafayette, or their successors in office as such Trustees, be and they are hereby authorized and empowered as such Trustees to sell and convey the lot of ground of said church, situated on the west side of Wyandotte street, between 7th and 8th streets, in Kansas City, Missouri, and re-invest the proceeds thereof in other real estate for said church in connection with this General Assembly.

The report was adopted.

Overture No. 51, being a memorial from a number of ruling elders and laymen of Presbyterian churches in Kentucky, met in the Second Presbyrian church of Lexington, Kentucky, on February 24th, 1869, the essential part of which memorial is as follows:

1. Inasmuch as, whether right or wrong originally, the occasion for the Order known as the Pittsburgh Order, adopted at the meeting of the General Assembly in the year 1865, and recorded in the *Minutes* of that year on pages 562–3, has passed away, we respectfully suggest such a rescinding or modification of this Order as will satisfy the minds of brethren who feel aggrieved by it.

2. Inasmuch as many good men have felt, and still feel, much aggrieved, and have been to some extent alienated from the Church by what they regard as a departure by the General Assembly from the letter and spirit of Article IV. Chapter XXXI. of our Confession of Faith, which reads as follows: 'Synods and Councils are to handle or conclude nothing but that which is ecclesiastical; and are not to intermeddle with civil affairs which concern the Commonwealth, unless by way of humble petition in cases extraordinary; or by way of advice for satisfaction of conscience, if they be thereunto required by the civil magistrate;' and as that conviction, in the minds of brethren, stands greatly in the way of that harmony and unity which we are striving after and earnestly desire, we implore the General Assembly to adopt a minute declaring that if any of the past deliverances of the General Assembly are in conflict or inconsistent with said article

of our Confession of Faith, they are disapproved of by this General Assembly."

In response to this memorial your Committee recommends to the General Assembly the adoption of the following minute:

The General Assembly having, by its action at Albany in 1868, recognized the Southern Presbyterian Church, formerly in connection with this body, as a distinct and separate ecclesiastical organization, sustaining to the Church represented by this body the same relations as other Presbyterian churches in our land; and directing that its ministers and members be placed on the same footing as the ministers and members of such other Presbyterian bodies not in ecclesiastical connection with us; thus opening the way for the reception of ministers and members from that body into our own, upon the same terms and conditions as ministers and members from other Presbyterian bodies are received; and as the six Presbyteries in Kentucky, which were independent at the time the memorial was adopted, are now in formal connection with the Southern Assembly, the members of those bodies are, of course, embraced in the provisions of the Assembly's action of 1868, above referred to, so that the views of the memorialists, as expressed in the first and third items of the memorial, have already been met by the Assembly as fully as is practicable.

In reference to the second suggestion of the memorial, the General Assembly contents itself with saying that Chapter XXXI. Article IV. of the Confession of Faith is a law of the churches and binding upon all its judicatories.

The report was adopted.

Overture No. 52, from members of the First German Presbyterian Church in New Orleans.

The Committee recommends that this overture be referred by the Assembly to the Presbytery of New Orleans, with directions to investigate the case, and to give directions to the Session of the Church as to their duty in the premises.

The report was adopted.

Overtures Nos. 50 and 53, from the Presbyteries of Southern Minnesota and Nashville, in reference to the periodical election of ruling elders for a limited term of service, were put upon the docket.

Overture No. 56, from the Presbytery of Northumberland, was referred to the Standing Committee on the Board of Publication.

Overture No. 58, from Lieut.-Commander Edward P. Lull, U. S. N., asking the Assembly to take measures for aiding the erection of a suitable Presbyterian Church at Annapolis, Maryland.

In reply, your Committee would simply say, that while it does not think it advisable for this General Assembly to recommend, (as asked for in the memorial), that a collection be taken up in all our churches, yet we do regard the claims of the church at Annapolis as worthy of the sympathy and prayers of God's people, and would thus far recommend it to the kind regards of our churches.

The report was adopted.

Overtures No. 38, from H. W. Hughes, of Glendale, near Cincinnati, and Wm. Ketchum, of Calvary Church, Buffalo, New York; and No. 54, from the Presbytery of Cincinnati, both relating to the posture in prayer and the practice of responsive reading of the Scriptures, were put upon the docket, but afterwards taken up, and the following action adopted:

Resolved, 1. That no action is expedient on these overtures, so far as posture in prayer is concerned, under existing circumstances, and that

these memorialists are enjoined to refrain from disturbing the peace, or imperiling the unity of the churches to which they belong on this question.

Resolved, 2, That the practice of responsive reading of the Scriptures in the public worship of the sanctuary is unwise in itself, and especially dangerous in this day, when it becomes the Church to withstand the tendency so strongly manifested in many places to a liturgical and ritualistic service.

Overture No. 60, from the Presbytery of Londonderry, setting forth the importance of portions of New England as a field for Presbyterian missionary effort.

By recommendation of the Committee, it was

Resolved, That the General Assembly calls the attention of the Board of Domestic Missions to the field brought to its notice in the above overture.

The Rev. W. H. Hornblower, D. D., Chairman of the Standing Committee on Theological Seminaries, presented its report, which was accepted, and is as follows:

The Board of Directors of the *Theological Seminary at Princeton* presents its Fifty-sixth Annual Report to the Assembly.

The whole number of students in connection with the institution during the year, including four resident graduates, has been 105. Twenty-three received certificates of having finished the whole course of three years. Four of these have devoted themselves to the work of Foreign Missions.

The Committee calls attention to the fact that the name of the Rev. John Thomson, D. D., was inadvertently left out by a clerical error of the Standing Committee, in the election of Directors by the last Assembly, and recommends that this omission be now supplied.

The Board of Directors of the *Western Theological Seminary* presents its Forty-second Annual Report to the Assembly.

The whole number of students in the Seminary during the year was 74. The whole number of new students received, 28. The whole number that completed the course of study, 15.

The health of the students has been more than ordinarily good. The devotional meetings have been sustained, and in some of them considerable zeal has been manifested. The proficiency and fidelity of the students in their work, are spoken of as affording great gratification to the Committee attending the annual examination; and also the faithfulness of the professors in the discharge of their responsible duties.

The Board of Directors of the *Theological Seminary of the Northwest* presents its Tenth Annual Report.

The Rev. Wm. M. Blackburn, elected to the Professorship of Biblical and Ecclesiastical History by the last General Assembly, accepted the appointment, and was duly inaugurated into the office. The Faculty of this Seminary, therefore, is now full.

Thirty-six students have been in attendance on the course of instruction during the term.. Fourteen students have received certificates of graduation; one of whom is soon to join our mission in Japan. Eight hundred and seventy-eight volumes have been added to the Libraries of the Seminary, besides a complete set of the Princeton Repertory and Review.

The financial agent of the Board has rendered valuable services, in collections in behalf of the Seminary during the year.

Besides the regular Report of the Directors, there has been placed in the hands of the Committee a "minority Report," signed by three Direc-

tors, C. A. Spring, Warren Norton, and Jno. M. Buchanan, who affirm that they were "members of the committee appointed by the Board of Directors to prepare the annual Report to the General Assembly." These gentlemen express their dissent from the majority report of that Committee. Some of their objections, however well taken against the report of that Committee, do not lie against the report of the Directors actually sent up to the Assembly, and we therefore are not called upon to consider them. In reference to other matters, the facts involved are not clearly before your Committee, and we do not feel bound to go into a full examination of them, which would be long and tedious, and not likely to result in permanent benefit to the Seminary.

The Committee feels constrained, however, to call the attention of the Assembly to two facts complained of by the minority, to which no reference is made in the report of the Directors to the Assembly.

1st. It is well known to the Church at large, that the most liberal benefactor of the Seminary has declined to pay the last instalment of his proposed and promised endowment of four professorships. It is certainly strange that the Directors have given the Assembly no information upon this important subject. It seems to us that they ought to have taken measures to settle this difficulty, and if they have done so, to have informed the Assembly of the fact. This is a matter in which the honour of the Assembly is involved. There are pledges unredeemed, which it is the duty of this Assembly to secure for the benefit of the Seminary under its care. Moreover, it has gone out to the world, that in the management of the Seminary too little deference has been paid to the wishes of its most liberal benefactor. Your Committee is of the opinion that whatever may be the legal rights of the case, there is a high moral and religious obligation resting on a beneficiary to consult the wishes of the benefactor; and this Assembly should insist that deference should be paid in the present instance, to the known and declared views of the gentleman who has so largely endowed this institution, unless those views are manifestly opposed to the best interests of the institution, and the expressed direction and appointments of the General Assembly.

2d. It appears that the Directors have displaced three of the Trustees, "who from the beginning have acted as guardians of the Seminary fund;" and that this removal of three of their number has led, or will inevitably lead to the resignation of other members of the Board of Trustees. The Trustees, whose services to the Seminary will thus be lost, are gentlemen of high "social and financial position," who have themselves contributed "eight-ninths of the permanent fund of the institution, besides liberal and frequent donations to the contingent fund." Of these facts, so important in the history of the Seminary, the report of the Directors makes no mention. And your Committee is of opinion, if the facts are as reported by the minority, that the interests of the Seminary require the immediate restoration of the Trustees displaced, to their former positions in the Board of Trustees, which they have so long and faithfully filled, to the entire satisfaction of the Assembly.

The Committee recommends the following resolutions:

Resolved, 1. That the Assembly requests the three Trustees recently appointed by the Board of Directors to resign, and that, in that case, the Directors are ordered to reinstate the three Trustees who have been recently removed, and it does advise the Trustees who have tendered their resignations to withdraw the same.

Resolved, 2. That the Board of Trustees is earnestly exhorted to

coöperate with the Directors in sustaining the institution, and in seeking the things which make for peace.

The Committee recommends that the Report of the Directors, (that is, the report called the majority report), and the report of the Trustees of this Seminary, be printed in the Appendix to the Minutes.

The Committee nominates the following to fill vacancies in the Board of Directors: *Ministers*, J. M. Buchanan, D. D., D. V. Smock, Reuben Frame, W. T. Adams, S. McC. Anderson, D. D. *Laymen*, C. A. Spring, Thomas H. Allen, Hovey K. Clarke, James M. Ray, William Millar.

Your Committee further reports on the overture from the Presbytery of Crawfordsville, referred to it by the Assembly, asking for the appointment of a Committee "to investigate the whole matter of difficulties existing in the Seminary, and report to the Assembly of 1870;" that, although this overture came into its hands after the report of the Committee had been agreed upon, yet the Committee has given careful consideration to the proposal contained in this overture, and is of the opinion that the adoption of its report will render the appointment of a Committee of investigation unnecessary; it therefore recommends that the overture be denied.

The Board of Directors of the *Theological Seminary at Danville, Ky.*, presents its Sixteenth Annual Report to the Assembly.

There have been twelve students in attendance during the term, four of whom left the Seminary after remaining there two months.

Two students received diplomas of graduation.

Rev. Nathaniel West, D. D., entered upon his duties as Professor of Biblical and Ecclesiastical History, to which he was appointed by the General Assembly of 1868, about the middle of July, and was publicly inaugurated into office on October 15th, together with Drs. Yerkes and Landis, who had qualified before the Board at the commencement of the term.

The Board has added one month to the Seminary Term, and respectfully requests that no change be made by the General Assembly in regard to the summer term.

The funds of the Seminary are in good condition.

The "Danville Review Association" has presented to the Seminary all the incomplete sets of the *Danville Review*, the stereotype plates of the review, and the sum of one thousand dollars towards the foundation of a scholarship.

The term of office of the following Directors expires with the session of this General Assembly: *Ministers*—Wm. L. Breckinridge, D. D., T. H. Cleland, R. A. Johnston, S. J. Niccolls, D. D., J. C. Young. *Laymen*—J. C. Maxwell, G. W. Welsh, George Denny, L. L. Warren, G. T. Wood.

The following vacancies have occurred in the Board, by the failure of Directors elected to appear in the Board and qualify, as required by the Plan of the Seminary.

Of the class of 1870: *Minister*—S. D. Crothers. *Laymen*—B. F. Avery, Wm. Prather.

Of the class of 1871: *Ministers*—R. F. Caldwell, T. F. Cortelyou, Geo. Morrison, J. L. McKee, D. D. *Laymen*—D. Curry, E. A. More, R. Rodes.

Your Committee has been embarrassed by the form in which this report is presented, and the disagreement of those who were charged with its preparation, whereby what should have been a report of the Directors,

is converted into a statement by individuals, not having even the concurrence of a committee.

It appears that the Board of Directors appointed a committee, consisting of Robert W. Landis, J. C. Randolph, and R. A. Johnston, to prepare a report to the Assembly. The appointment of this committee is not distinctly stated in the report, but is gathered from the report itself. It appears further, by the report, that the Board of Directors adjourned before the committee could prepare a report "in all its details," but that before adjournment, the Board "enjoined" the chairman of the committee "to see that it (the report) was both completed and transmitted to the General Assembly." It appears further, that after the chairman had prepared the report, he submitted it to the other members of the committee, and they refused to sign it, and united in a letter, which is given in the report, stating their reasons for this refusal. The chairman of the committee then submitted the report to Rev. R. J. Breckinridge, D. D., "the senior Professor in the Seminary," and "a member, both of the Board of Directors, and of Trustees," and a written statement of Dr. Breckinridge is included in the report, in which, among other things, he affirms the correctness of the report.

Your Committee thinks the report is to be accepted, notwithstanding its irregularity.

1st. Because the *prima facie* evidence is in its favour. The Board of Directors would not fail to make a report, and this is the only document that has come to the Assembly, claiming to be their report; and this is signed by a member of the Faculty, as "Chairman of Committee and member of the Board of Directors."

2d. A certified copy of the minutes of the last meeting of the Board of Directors confirms the fact that "R. W. Landis, J. C. Randolph, and R. A. Johnston, were appointed a committee, not merely to prepare, but "to make the annual report of the Board to the General Assembly."

3d. The report contains papers sent to the General Assembly by order of the Board of Directors, as parts of its report, duly authenticated by the "Secretary of the Board of Directors."

In view of the above facts, your Committee is of opinion that the Board of Directors of this Seminary is to be censured for this loose and irresponsible manner of making its report to the Assembly, and your Committee recommends that it be required of this Board, that, in future, its annual reports to this Assembly be first submitted to its own approval and adoption; such approval and adoption to be properly certified.

Your Committee further recommends that only the first part of this report, ending with the statement of vacancies in the Board of Directors to be supplied by this Assembly, be published in the Appendix to the Minutes, and that all in this first part that refers to certain students whose connection with the Seminary was severed during the last term, be omitted, except the facts that these students were permitted to withdraw or left the Seminary. The Committee recommends this for the reason that there is a want of concurrence on the part of a majority of the committee appointed to make the report, as to the matters referred to. The Committee also recommends that the Report of the Board of Trustees be published in the Appendix to the Minutes.

Your Committee calls the attention of the Assembly to that part of the report which refers to the Rev. Nathaniel West, D.D., Professor of Biblical and Ecclesiastical History, and is of opinion that Dr. West has not exposed himself to just censure in the matter there referred to, nor vio-

lated any duty or "moral obligation" which he owed to the Seminary or to this Assembly; nor is he to be considered as having given to the Board a six months' notice of his intention to resign his Professorship.

The Assembly has also referred to this Committee the resignation of Dr. West, upon which it would report that, after careful deliberation, it is of opinion that the interests of the Seminary require that Dr. West be retained in his present position, and recommends that the Assembly request Dr. West to withdraw his resignation.

In view of the manifest inadequacy of the salaries of the Professors, your Committee recommends that the action of the General Assembly of 1867, making the salaries $1750, payable quarterly, be amended by substituting $2500 for $1750; provided the income of the Seminary is sufficient to pay the same; and until the same is sufficient, that said salaries be fixed at $2300; said advance to commence March 1st, 1869.

Your Committee further recommends that this Assembly appoint a committee of five, to consist of Judge Stanley Matthews, of Cincinnati, Rev. Thomas H. Skinner, Jr., D. D., of Fort Wayne Ind., Rev. F. W. Brauns, of Cincinnati, Hon. W. M. Francis, of New Wilmington, Pa., and Hon. Robert McKnight, of Pittsburgh, Pa., to investigate all the affairs of the said Seminary which relate to its efficiency in any department, to examine into its pecuniary condition in every respect, to examine its records, books, and papers, to take such evidence from the Professors, Directors, Trustees, and other persons, as it may see fit, and to make a full report to the General Assembly at its session at Pittsburgh, Pa., in November, 1869, on all these matters and others relating to the success and efficiency of the Seminary, and to make such recommendations to the General Assembly as it judges proper, and that said committee has power to fill vacancies in its own number.

Those portions of the Report relating to the Princeton and Western Seminaries were unanimously adopted.

Ruling Elder Spafford, from a minority of the Standing Committee on Seminaries, presented the following additional nominations for Directors in the Theological Seminary of the Northwest: *Ministers*, J. M. Buchanan, D. D., I. N. Candee, D. D, W. S. Wilson, J. Fleming, Robert Patterson, D. D. *Laymen*, C. A. Spring, Hovey K. Clarke, Jesse L. Williams, J. C. Grier, Lincoln Clark.

Ruling Elder Spafford offered a Minority Report from two members of the Committee, in reference to the Seminary of the Northwest; when Ruling Elder Charles D. Drake offered a resolution, which was amended and finally adopted as follows:

Inasmuch as it is apparent that matters of grave moment, pertaining to the interests of the Theological Seminary at Chicago, are involved, which cannot now be considered, therefore, without deciding anything pertaining to the subject, and with due deference to the reports presented by the majority and minority, be it

Resolved, That so much of the Report of the Majority as refers to the Theological Seminary of the Northwest, and the Report of the Minority on the same subject, be referred to a select committee of five, who shall consider all the matters therein set forth, and investigate the same and all other matters of controversy in regard to said Seminary, and report upon the same at the adjourned session of this General Assembly in November; and that, in the meantime, the Directors whose terms are now expiring be continued in office until the end of that adjourned session; and that said committee have authority to send for persons and papers, and to examine witnesses, and to fill any vacancies that may occur in their body.

The Moderator appointed as the committee: Ruling Elder Charles D. Drake, George W. Musgrave, D. D., E. R. Craven, D. D., J. Trumbull Backus, D. D., John D. McCord, Esq.

It was made the second order of the day for to-morrow forenoon, to take up the Report of the Standing Committee on the Board of Domestic Missions.

The Assembly adjourned, after prayer by the Moderator.

MONDAY AFTERNOON, 2½ o'clock.

The Assembly met, and was opened with prayer by the Moderator.

On motion of Rev. R. K. Rodgers, D. D., it was

Resolved, That this Assembly continue the Committee of five appointed by the last Assembly to act with a similar Committee of the other branch in preparing and proposing to the first General Assembly of the united Church any changes in the Constitution needful in view of this Assembly's action on Reunion.

The Committee appointed by the last Assembly are—*Ministers*, A. T. McGill, D. D., W. E. Schenck, D. D., J. T. Backus, D. D. *Ruling Elders*, Hovey K. Clarke, James M. Ray.

On motion of Ruling Elder C. D. Drake, it was

Resolved, That the adjourned meeting of the Assembly in November next be held in the First Presbyterian Church of Pittsburgh.

The Rev. C. K. Imbrie, D. D., Chairman of the Standing Committee on Systematic Beneficence, presented its report, which was accepted. The several resolutions were taken up *seriatim* and adopted, after which the whole report was adopted, and is as follows:

The Committee on Systematic Beneficence respectfully reports: That the statistics furnished by the Presbyteries respecting the benevolent operations of the Church during the year past, are so few in number that no sufficient data are afforded from which to ascertain the extent to which systematic beneficence is practised within our bounds. Only seven Presbyteries have sent in reports; and this is only a repetition of the experience of former years. Even at this late day, then, and after fifteen years' trial, it is proved to be impossible, upon this plan, for the General Assembly to ascertain, with any approach to accuracy, the growth of this Christian grace in the Church. Our only facts, therefore, must be derived, as in past years, from the sums reported as received by the several Boards themselves, compared with the minutes of the General Assembly and the report of the last Committee on Systematic Beneficence. This comparison gives the following figures:

The receipts of the Board of Foreign Missions, from the churches and from legacies, amount to $296,719. Of this sum, $21,115 were received from the children of the Church, and $88,306 from legacies. The receipts of this Board exceed those of the former year by $43,443, if we include the legacies; but without the legacies, there is a decrease in the donations of $29,321. It ought, however, to be added that the receipts of the preceding year included a special collection from the children, and sundry special individual donations. 1669 churches, or 107 more than last year, have contributed to this Board, and 1068 churches have contributed nothing.

The Board of Domestic Missions has received $157,222. This is an excess over the previous year of $44,113. About 1200 churches have made no contribution.

The Board of Education received $38,423, of which $3,085 were from legacies. This is a decrease from the former year of $4,941. It should be stated, however, that owing to a change in the beginning of the fiscal year in the Board, the above sum shows the receipts for only eleven months.

The Board of Church Extension received contributions from 1013 churches, amounting to $63,038, of which $5,964 were from legacies. Sixty-five more churches contributed than in the year previous; and $12,721 more than the receipts of the former year were contributed. 1724 churches made no contribution.

The Board of Publication received for the Colportage Fund $32,088. Of this sum, $7,277 were from legacies. This is $3,382 more than was received the former year. 930 churches have contributed; being 152 more than in the year previous. 1807 churches have made no contribution.

The Committee on Freedmen have received $35,180. This is $6,826 more than in the former year. 795 churches have contributed to this object, and 1962 churches have made no contribution.

The Disabled Ministers' Fund received $33,961. This is $8,080 over the receipts of the previous year, and was received from about one-half of the churches of the General Assembly.

The whole amount received by all the Boards is $656,633. The increase over the receipts of the former year in all the Boards together, amounts to $40,787. This is an average of about $2.58 for each communicant, or fourteen cents a year for each communicant over the contributions of last year.

The foregoing statement reveals very clearly the following results:

I. That the growth of giving in the Church, though steady, is very slow, far behind the demands of the present times and the openings of Providence, and by no means in proportion to the advanced necessities of the Boards.

II. That the sums bestowed on all our Boards amount to less than a cent a day from each communicant; and that if at least a cent a day were given, it would raise the whole amount $265,192; *i. e.*, instead of $656,633, the Boards would together receive the sum of $921,825, or $50,000 over one-third of what is now received.

III. That a large proportion—generally nearly one-half—of our churches are, for some reason or other, not reached at all upon our present plans, and make no contributions.

Your Committee would now respectfully urge upon the Assembly the need of adopting immediately some action which shall at once, and with continued effect, reach, as nearly as possible, every church in our bounds, and largely increase the resources of the Boards.

From the statements made by our several Secretaries, and especially by the report of the Board of Foreign Missions, it is evident that we have reached a crisis, and the circumstances allow no hesitancy in this matter. It is evident that to continue our operations even up to their present demands, a large increase must be realized, or in five years, or even in less time, our Boards will become bankrupt. The Board of Foreign Missions alone must receive the sum of over $80,000 more than it has received the past year, in order to sustain only its present position, or it must close the year with a debt equal to that amount; and a like debt will result with every following year. Such a contingency should never be allowed to continue. And as former plans have failed to secure the proper result, an imperative necessity is laid at this time upon the Assembly, to arouse the

whole Church to a higher standard of liberality, and to put in force some method by which liberal gifts shall be made to flow in from every part of the field. The causes which have led to the present crisis are, in brief, the decrease in the relative value of money, the increase in the value of other articles, and in the case of the Board of Foreign Missions, the large sums necessary to meet the outlay for foreign exchange. This last item alone cost, last year, nearly $50,000. At the same time, the regular contributions of the churches have by no means kept pace with the increase of expenditure. It is manifest, then, that an advance must be made; and this advance can be made only by a determined and systematic effort through the whole Church, and by the earnest coöperation of all the Synods and Presbyteries, to accomplish this object. Your Committee has spent much time in endeavouring to secure such a plan. Besides the paper presented by the Committee raised by the last Assembly, and committed to it for consideration, it has invited suggestions from all who could throw light on this subject.

The points to be attained are these, viz., That the Assembly, and through it the Church at large, should be accurately informed, year by year, what are its necessities for the year following, and by the adoption of this basis should exhibit a tangible amount to be met by the benefactions of the Church for that year. Next, that the judicatories of the Church should be strictly held to account to see that means are taken within their bounds to meet this obligation. And finally, that the mind and heart of the Church should be properly educated as to the true spirit of Christian liberality, and that suitable methods of collection should be instituted in all our churches, so as to secure the most general and the largest returns. On these conditions the work can be done, and well done.

Your Committee therefore recommends for adoption the following resolutions:

Resolved, 1. That the present rule requiring the Presbyteries to send up written reports to the General Assembly on the subject of systematic beneficence, is hereby rescinded as practically useless.

Resolved, 2. That it shall be the duty of the Secretaries of the several Boards, the Freedmen's Committee, and the Fund for Disabled Ministers, to lay before the General Assembly, year by year, each for his own Board, a careful and economical estimate of the probable expenses of these beneficent schemes of the Church for the ensuing year.

Resolved, 3. That upon the approval of these estimates by the Assembly, the Standing Committee of the Assembly on Systematic Beneficence shall, on the basis of these estimates, report to the Assembly an apportionment of these estimates among the several Synods, according to the Committee's estimate of the ability of the several Synods to contribute; and upon the adoption of the Committee's report by the Assembly, the Synods shall be expected to raise at least the sums thus apportioned to them.

Resolved, 4. That each Synod shall apportion among the Presbyteries under its care, according to its estimate of their several ability, the sum assigned to it; and at each succeeding meeting shall require a detailed report from the Presbyteries as to their diligence in raising the sums assigned, and each Synod shall send, engrossed in their minutes, a written report of the results within its bounds to the Assembly next following.

Resolved, 5. That it is made the duty of each Presbytery to assign for collection to the session of each church under its care its due proportion of the sum apportioned to the Presbytery by the Synod, and to present to the Synod a detailed report of the actual contributions of each church within its bounds towards the required amount.

Resolved, 6. That the pastors and stated supplies of the churches, and the sessions of those churches where there are no stated supplies, are enjoined to see that the people of the congregation are faithfully instructed in the sacred duty of systematic beneficence, the scriptural obligation of laying by in store for God as God hath prospered each one, and thus, by all means in their power, cultivating this grace among all the people, both adults and children.

Resolved, 7. That the session of each church is enjoined to set in operation some plan by which the *individuals* of each congregation shall all be duly reached, and opportunity given to every person to contribute to the Lord's treasury; and further, to provide that the children of the Sabbath-schools be duly instructed in the duty and privilege of systematic giving to God's cause, and opportunity be afforded them to contribute regularly to the Boards of our Church.

Resolved, 8. That in order to aid those churches that desire to adopt some more effective plan of collection, the Rev. David Irving, D. D., the Rev. Wm. E. Schenck, D. D., and Rev. Robert Strong, ministers, and A. McClure, Jr., and Robert Carter, Esq., ruling elders, are appointed a Committee to prepare and publish in a small tract a selection of different plans which have been found by experience to be effective, and the Board of Publication is ordered to afford gratuitously a suitable number of copies of this tract to such congregations as may apply for it.

On motion of Dr. Hornblower, it was made the first order of the day for to-morrow afternoon, to take up that part of the report of the Committee on Theological Seminaries, relating to Danville Seminary.

The report of the Committee on Reunion with the Southern Presbyterian Church was again taken up, and adopted as follows:

Whereas, the last General Assembly acknowledged the separate and independent existence of the Presbyterian Church in the Southern States, and enjoined upon all subordinate courts so to treat it; thus according to its ministers and members the privilege of admission to our body upon the same terms which are extended to ministers and members of other branches of the Presbyterian Church in this country. Therefore,

Resolved, That this General Assembly hereby conveys its Christian salutations to the General Assembly of the Presbyterian Church in the Southern States, and gives expression to its sentiments of Christian fraternity and fellowship towards the ministers and members of that body. And as we inherit and hold with them the same ancient symbols of faith, the same forms of government and of worship, thus presenting before the world the same sacred principles to which our common ancestors witnessed and which we have maintained together in the past, and especially since we occupy adjacent, and in many places common territory, we deem it due to our one Lord and to the best interests of his kingdom on earth, to express the desire that the day may not be distant when we may again be united in one great organization that shall cover our whole land and embrace all branches of the Presbyterian Church.

Resolved, That the Stated Clerk be directed to forward a copy of these resolutions to the Stated Clerk of the Presbyterian Church in the Southern States.

The Rev. H. R. Wilson, D. D., Chairman of the Committee on Foreign Correspondence, reported that the following papers had been put into its hands.

1st. A letter from the Revs. C. C. Beatty, D. D., G. W. Musgrave, D.D.,

and Ruling Elder Robert McKnight, stating that as Delegates from this body, they met with the Assembly of the other branch, on Monday, May the 24th, presented to them the fraternal and Christian salutations of this Assembly, and were received with great cordiality. Your Committee recommends that this report be accepted, and the fidelity of these delegates be approved.

2d. A letter from the Rev. W. MacMillan, of Ohio, Delegate to the Synod of the Reformed Presbyterian Church, which met in Cedarville last year, reporting that he had performed that service. Your Committee recommends that this report be accepted, and his fidelity approved.

The report was adopted.

On motion of Dr. Wilson, Chairman of the same Committee, the Moderator, the Stated Clerk, and the Permanent Clerk, were appointed a Committee, with power to select and commission during the coming year, suitable delegates to represent this Assembly at any meetings of bodies of foreign Evangelical Christians.

On motion of Dr. H. R. Wilson, the Rev. Narcissus Cyr, of France, briefly addressed the Assembly, in reference to the Paris Religious Tract Society.

The Rev. Dr. Waterbury, Chairman of the Special Committee to which was referred the communication from the Reformed (late Dutch) Church, relative to the holding of a National Council of Evangelical Churches, presented the following report in relation thereto, which was adopted:

The Committee to which was referred the request of the Reformed Church, that the Assembly appoint five delegates,—three ministers and two ruling elders—to represent the denomination, so far as we are concerned, in a National Evangelical Council, to be held, October 8th, in the church on Washington Square, would report in favour of complying with this request.

1. On fraternal grounds. It comes from a branch of the Church substantially one with ourselves in doctrine and polity, and with whom we are in close fellowship.

2. Because it is a step in the direction of practical Christian unity; the proposed council embracing denominations that are evangelical, though not organically the same.

3. Because it recognizes and adopts the motto of the fathers of the Reformation, viz., in necessary things, *unity;* in things not necessary, diversity; in *all*, charity.

4. Because the responsibility of any action taken in such Council, is confined to said committee *personally;* not to the denomination as such.

5. Because the effect on the world of such a Council, meeting as it does, "to promote the great truths and ethics of Christianity," will tend to refute the idea so often put forward, that denominations are contending for their own advancement, instead of promoting the cause of our common Lord.

For these reasons, your Committee is in favour of acceding to the request of our Reformed brethren.

The Moderator appointed the following persons to be the representatives of the Assembly at the first meeting of said Council, viz., *Ministers*—J. B. Waterbury, D. D., L. H. Atwater, D. D., and Wm. C. Roberts. *Ruling Elders*—John T. Nixon, and A. B. Belknap.

The Committee on Bills and Overtures reported

Overture No. 20, from the Presbytery of Elizabethtown, asking the Assembly "for the relief of our minutes, our ecclesiastical courts, and our ministerial name, to define whether a minister who turns aside from

his calling, not from bad health or moral delinquency, to some secular employment, should demit the sacred office, or be denied the full immunities of the Presbytery."

The Committee recommends the following:

Resolved, 1. That the former deliverances of the Assembly on that subject, to wit, in the years 1803, 1834, and 1839, are sufficient.

Resolved, 2. That the Presbyteries be enjoined to execute the rule of the Assembly of 1834, as to any members "who have withdrawn in whole or in part, without justifiable cause, from the work of the ministry."

The report was adopted.

Overture No. 59, relating to the Pope's recent Encyclical Letter. The report was adopted, and is as follows:

Whereas, the Pope of Rome, called Pius the Ninth, did, on the 13th day of September, in the year of our Lord 1868, issue a certain letter, or proclamation, addressed to "all Protestants and non-Catholics" throughout the world, the import of which is to invite and urge all persons and organizations thus designated, to "hasten to return to the only fold," meaning the Church of Rome; and,

Whereas, the said Pope, in the said letter called "paternal and apostolic," has, in an unwonted manner, as if pleading at the bar of public opinion, assigned several and various reasons for its preparation and publication; and,

Whereas, among the reasons so mentioned, is the assertion of his own supremacy over the human conscience, as the "Vicar of Jesus Christ,"—"the authority to govern the persuasions of the human intellect, and to direct the actions of men, both in private and social life;" as also this, that the rejection of this authority and protest against it by so many, has "promoted and nourished those perturbations in human affairs in this our day, which the said Pope pronounces "miserable and grievous," but which must be regarded by every friend of his species as eminently hopeful and auspicious; and,

Whereas, all such claims and assertions on the part of the Pope of Rome are, to the last degree, unfounded in fact, contrary to truth, reason, Scripture, and the whole genius of Christianity, and if allowed, would prove subversive of all human rights and liberties; and,

Whereas, recent movements, especially in Austria and Spain—nations long in subjection to these monstrous pretensions of the Papacy—command the prompt recognition, sympathy, and support of all friends of humanity, freedom, and religion throughout the world: Therefore, be it

Resolved, 1. That the facts now recorded, furnish and present a proper and fitting occasion for all Protestant Churches throughout Christendom, each in the mode which its own wisdom shall suggest, to prepare and set forth for general distribution, through the same channels which the Pope himself has chosen, a suitable response to his letter, which response shall contain a statement of the reasons why his claims can in nowise be recognized; as being inconsistent with a catholicity more catholic than Rome, the authority of infallible Scriptures, and the glorious supremacy of Jesus Christ.

Resolved, 2. That a Committee of three be appointed by this Assembly, whose duty it shall be, in coöperation with a similar Committee to be appointed by the General Assembly now meeting in the Church of the Covenant, to nominate and appoint at the earliest time which is convenient, a Committee who shall prepare and publish such a reply to the said letter of the Pope, as shall be regarded an expression of the sentiments of the

Presbyterian Church in the United States of America, concerning the matters therein contained, as of vital importance to all civil and religious liberty throughout the world, and to the salvation of the human race.

The Moderator appointed on said Committee to "nominate and appoint," Rev. G. W. Musgrave, D. D., Rev. John Hall, D. D., and Ruling Elder Martin Ryerson.

Overture No. 44, relating to unscriptural views of marriage, divorce, and infanticide. The Committee recommends the following, which was adopted:

The Committee on Bills and Overtures, to which was referred the paper relating to divorce and infanticide, begs leave to report, that it recommends the adoption of the following:

That it is with great pain we are constrained to admit the increasing prevalence, in many parts of our country, of unscriptural views of the marriage relation, in consequence of which the obligations of that relation are disregarded by many, and separations of husband and wife, and divorces for slight and unwarrantable reasons are becoming more frequent every year. Nor can we shut our eyes to the fact that the horrible crime of infanticide, especially in the form of the destruction by parents of their own offspring before birth, also prevails to an alarming extent. The evils which these errors and crimes have already brought upon our country, and the worse evils which they threaten in the near future, make it imperative, as we believe, that the whole power of the ministry and Church of Jesus Christ should be put forth in maintenance of the truth and of virtue in regard to these things. Many causes have operated to produce a corruption of the public morals so deplorable; prominent among which may be mentioned the facility with which divorces may be obtained in some of the States, the constant promulgation of false ideas of marriage and its duties by means of books, lectures, etc., and the distribution through the mails of impure publications. But an influence not less powerful than any of these, is the growing devotion to fashion and luxury of this age, and the idea which practically obtains to so great an extent, that pleasure, instead of the glory of God and the enjoyment of his favour, is the great object of life.

It is therefore the duty of the Church of Christ to oppose in every practicable way these and all other corrupting agencies and tendencies, and we especially urge upon all ministers of the gospel the duty of giving instruction to the people of their respective charges as to the scriptural doctrine concerning the marriage relation. We warn them against joining in wedlock any who may have been divorced upon other than scriptural grounds. We also enjoin upon church sessions the exercise of due discipline in the cases of those members who may be guilty of violating the law of Christ in this particular.

This Assembly regards the destruction by parents of their own offspring, before birth, with abhorrence, as a crime against God and against nature; and as the frequency of such murders can no longer be concealed, we hereby warn those that are guilty of this crime that, except they repent, they cannot inherit eternal life. We also exhort those who have been called to preach the gospel, and all who love purity and the truth, and who would avert the just judgments of Almighty God from the nation, that they be no longer silent, or tolerant of these things, but that they endeavour by all proper means to stay the floods of impurity and cruelty.

We call upon all to remember that marriage is honourable not only in itself, but in its ends. Therefore all who seek to avoid the responsibilities and cares connected with the bringing up of children, not only deprive

themselves of one of the greatest blessings of life, and fly in the face of God's decrees, but do violence to their own natures, and will be found out of their sins even in this world.

Dr. R. Hamill, Chairman of the Standing Committee on the Board of Education, presented the following supplementary report, which was adopted:

The Committee on the Board of Education, to which was referred the report of a Committee appointed by the last General Assembly on the condition, prospects, and wants of the German Theological School at Dubuque, Iowa, recommends that said report be referred to the Board of Education, with instructions carefully to consider it and report to the next General Assembly, recommending such action as they may deem proper and needful for the best interests of said institution.

Resolved, That the Board of Publication be authorized to donate to the library of said school such a selection of its books as may be deemed especially suited to the wants of the school.

The Assembly adjourned after prayer by the Moderator.

TUESDAY Morning, June 1, 9 o'clock.

The Assembly met, and was opened with prayer by the Rev. John H. Sherrard. A half hour was spent in devotional exercises.

The minutes of yesterday were read and approved.

It was made the second order of the day for this afternoon to take from the docket Overture No. 41.

On motion, all speeches were hereafter limited to five minutes.

The Rev. B. C. Critchlow, Chairman of the Standing Committee on the Freedmen's Committee, again called up its report. The resolutions were taken up *seriatim* and amended and adopted. The whole report was then adopted, and is as follows:

The Committee of this Assembly, to which was entrusted the duty of examining the records and report of the Freedmen's Committee during the last year, submits the following:

The Minute Books of the Committee and of the Executive Committee have been examined, and we recommend their approval.

After reading the Report, your Committee is satisfied that the work entrusted to the Freedmen's Committee has been urged forward with most commendable energy and success. We think there is scarcely any department of the Church's benevolent work of higher importance than this, nor is there any that promises a larger recompense of reward.

These helpless children of Africa have, in the mysterious providence of God, been brought to our doors, and they now stretch out their hands to God and his people with imploring cries for the bread of eternal life. And it is matter for deep humiliation and sorrow, that our Church, so richly endowed of God, has given so little of her benevolent regard to this object. But something has been done, and we trust it is only as the handful of corn on the top of the mountain, that shall one day shake like Lebanon.

One hundred and seventy-nine ministers and teachers, a majority (126) of them of the African race, have been employed during the year, at an average salary of one hundred and seventy-eight dollars per annum.

The number of churches now organized is 72. The number of communicants, 5,634. Sixty-nine Sabbath-schools have been gathered, with an attendance of 4,723 scholars. Over 3000 people have been in attendance on the day-schools, besides the Institutes or High Schools, one in North Carolina, one in Kansas, and one in South Carolina, designed to educate teachers, and prepare young men for the work of the ministry. But what are all these among the hundreds of thousands who are now calling for help?

Ashmun Institute, now Lincoln University, in Pennsylvania, has been in successful operation for years, and is doing a great and blessed work. A number of its students served under the direction of the Committee during the year. Since these people must have their own churches and schools, and since they must have teachers and ministers of their own race, the Educational department of our work demands special attention; and to this we would most earnestly call the attention of our people who have it in their power to give us the means of carrying on these Institutions of learning with vigor. The example of Mrs. Wallingford, of Pittsburgh, in making so large a contribution to Wallingford Academy, in Charleston, South Carolina, is worthy of imitation.

Of the 2,737 churches in our connection, only 795 have made contributions to this cause during the year—nearly 2000 have done nothing. We learn from the Report that the total of contributions made to the Committee by the churches and individuals, in four years, is $108,078.02. Total of expenditures during the same time, $195,697.06. Excess of expenditures over donations, $87,697. This balance has been met by the amounts received from the Government, the Freedmen, and the Boards of Domestic Missions and Church Extension. In addition, we have 66,680 dollars worth of property.

In the commencement and prosecution of this Christian work among the Freedmen, there have been great trials to faith and patience, but the Head of the Church has evidently smiled upon it, and we feel called upon to speak unto the people—to all the Church—to come up to the help of the Lord therein. Past success should be gratefully accepted as the fruit of God's blessing upon our work, and as an incentive to increased earnestness and faithfulness in the performance of the task we have undertaken.

Your Committee, therefore, respectfully submits to the Assembly the following resolutions for their adoption:

Resolved, 1. That the conduct of the Committee be approved; and that the thanks of this Assembly be returned to it for its fidelity in the discharge of its trust; and that the Report be published and circulated among the churches.

Resolved, 2. That we repeat the resolution of the last General Assembly—that in view of the responsibilities of the Presbyterian Church to this race, and of its immediate necessities, as well as the success which has attended our efforts in its behalf, this Assembly declares its purpose to continue as a permanent work the effort to plant the church with its educational and gospel privileges among the African race in this country, and earnestly calls upon the ministers and churches to support the Assembly's Committee in the effort to fulfil the purpose thus distinctly and solemnly avowed.

Resolved, 3. That in view of the facts that 2000 of our churches have made no contributions to this cause during the past year, and that at least $70,000 are necessary for the proper maintenance of the work for the year to come—all our ministers and church sessions be enjoined to bring this

cause before their people, thus giving them an opportunity to contribute to its support. And

Whereas, it appears from the Minutes of the Committee that the Rev. S. C. Logan, Corresponding Secretary of the Committee, has tendered his resignation, to take effect after the rising of this Assembly, therefore,

Resolved, 4. That the Assembly learns with regret the purpose of Mr. Logan to withdraw from this work, and hereby expresses its confidence in the ability and fidelity with which he has discharged the duties of his office, and which have contributed so largely to give our Church her present advanced and influential position among that down-trodden people

Resolved, 5. That in view of the difficulty of securing a quorum at the meetings of the Committee, five members shall constitute a quorum to do business.

The Rev. T. H. Skinner, Jr., D. D., presented and read the Narrative of the State of Religion, which was adopted and ordered to be printed in the Appendix to the Minutes.

On motion of Dr. Blackwood, the Rev. L. H. King, Rev. D. Curry, D. D., and Rev. H. B. Ridgaway, D. D., delegates from the New York Preachers' Association of the Methodist Episcopal churches, who brought fraternal resolutions and salutations from said Association, were invited to appear upon the platform, and were briefly addressed by the Moderator.

The Report of the Standing Committee on the Board of Domestic Missions was taken up, and its resolutions were adopted *seriatim*. The whole report was then adopted, and is as follows:

Resolved, 1. That this Committee, having carefully examined the documents submitted to it, and the minutes of the Board of Domestic Missions, approves and recommends the report herewith presented as the report of the Board for the year, to be printed as usual; and the Committee feels it right to express gratitude to God for the blessing that has attended the administration of the Board during the year.

Resolved, 2. That all action founded upon the report of the Committee of which the Rev. Dr. Backus was Chairman, be deferred, in the existing relations of the Church.

Resolved, 3. That the arrangements of Seminaries having changed, as to length of vacation, it is recommended to the Board to consider whether theological students, licensed to preach after their second year at the seminary, might not, when recommended by their Presbytery, be employed with advantage, under the direction of the Presbytery within whose bounds they labour.

Resolved, 4. That, inasmuch as one-fourth of our congregations make no contribution to the funds of the Board, and inasmuch as the wants of the country increase from year to year, it is recommended that the General Assembly authorize and enjoin the Presbyteries to inquire, at their first meetings after the time appointed for the making of the collections, into the reasons for omission, when no collection has been made.

Resolved, 5. That the ability, wisdom, and energy of the *pro tempore* Corresponding Secretary of the Board, the Rev. G. W. Musgrave, D. D., during the past six months, in bringing the Board out of the embarrassments in which he found it, into a condition of comparative prosperity and usefulness, deserves honourable mention, and we express the desire that his health may permit his valuable services being retained by the Board.

The Rev. S. Mattoon offered the following, which was adopted:

Whereas, God has greatly blessed the labours of our missionaries among the freedmen, enabling them to organize some seventy-one churches, with the near prospect of the organization of many more, rendering it necessary to provide competent ministers, catechists, and teachers of the coloured race as rapidly as possible; and *whereas*, Biddle Memorial Institute, at Charlotte, N. C., from its location in the centre of the Presbyterian coloured population, is specially adapted to supply this want, therefore,

Resolved, That this Assembly heartily commends this Institute to the Christian liberality of the Church, for that adequate endowment and equipment necessary for extensive usefulness.

The Rev. G. S. Plumley offered the following, which was adopted:

Resolved, That the present Assembly's Committee on Systematic Beneficence prepare and send to each Synod and Presbytery, the proportionate amount desired from each during the current year, for the beneficent schemes of the Church, according to the estimates of the Secretaries, with proper discretionary power.

Dr. Miller offered the following, which was adopted:

Resolved, That the several Boards of our Church, the Freedmen's Committee, and the Secretary of the Disabled Ministers' Fund be, and hereby are directed, if they are not habitually doing so, to preserve all their correspondence, both letters received and copies of letters sent, excepting such as they may judge altogether uninteresting and worthless, and to have the same arranged under proper heads, suitably bound, and indexed for convenient reference.

The Rev. S. F. Grier presented the following, which was adopted:

Resolved, That in view of the fact that the sin of Sabbath desecration seems to be increasing in our land, this Assembly reiterates all its former deliverances on this subject, and urges upon all under its control, both ministers and people, that they do more than ever exert themselves to maintain the Divine authority and sanctity of the holy day.

The Rev. H. C. McCook offered the following report, which was approved:

The Committee appointed to represent this General Assembly in the services of decorating the soldiers' graves at Brooklyn on Monday the 31st, reports, that it was received with great courtesy and cordiality by the Committee of Arrangements; proceeded to the Cemetery at Cypress Hills, and performed the duty to which it was assigned.

The Assembly adjourned after prayer by Dr. Blackwood.

TUESDAY AFTERNOON, 2½ o'clock.

The Assembly was opened with prayer by Dr. Yerkes.

The Rev. Wilson Phraner, Chairman of the Committee on Leave of Absence, reported that the following persons had been excused from further attendance upon the meetings of the Assembly at its present session in the city of New York, viz., *Ministers*—George Harkness, James M. Shields, J. E. Lapsley, J. H. Morron, C. W. Stewart, J. R. Eckard, C. B. Downes, R. W. Marquis, J. W. Johnston, E. Barr, A. G. Hall, O. M. Todd. *Ruling Elders*—Rei Hills, Wm. Miller, J. B. Adams, Egbert Marsh, Joseph Rogers, Joel Glover, John McArthur, Morris Patterson, E. T. Fox, Wm. McIlwain, J. D. McCann, William McCurdy, John C. Carson, J. S. Shanklin, Schuyler Bradley, and Wm. McLean.

The report was approved.

That part of the Report of the Standing Committee on Theological Seminaries relating to Danville Seminary was taken up, according to the order of the day. On motion, Dr. N. West, a Professor of that Seminary, was allowed to address the Assembly.

This part of the report was then adopted. (See pages 928–31.)

The second order of the day was taken up, and Overture No. 41 was taken from the docket.

The report of the Committee of Bills and Overtures was amended and adopted, and is as follows:

The various Presbyteries of the Synod of Kentucky respectfully call the attention of the General Assembly to the judicial decisions accompanying this memorial, as follows:

The first is a decision of the Court of Appeals in the State of Kentucky, in which the right of the civil courts to review and reverse the proceedings and decisions of ecclesiastical courts on purely ecclesiastical matters is directly maintained, and in pursuance of which it is adjudged that three Ruling Elders, whose election and ordination was ordered by the Synod of Kentucky and confirmed by the General Assembly, were not ruling elders in the Presbyterian Church.

The second is a decision of the same Court, in which the same superiority of the civil tribunals over the ecclesiastical is maintained, and in pursuance of which the deliverances of the General Assembly during the late war on loyalty, freedom, &c., are adjudged to be unconstitutional; in which its condemnation of the Declaration and Testimony is adjudged to be erroneous, and its dealings with the signers of that paper to be null and void.

The third is a decision of the Circuit Court of the United States, in which, in opposition to the decisions mentioned, it is decided that the civil courts are bound to respect and enforce the decisions of all ecclesiastical courts, particularly the General Assembly, on all purely ecclesiastical matters whatsoever.

From this last decision an appeal has been taken to the Supreme Court of the United States, and thus the rights and prerogatives of the General Assembly are placed in a posture where they must be determined by that court of last resort.

A case so directly involving the rights of the General Assembly and so essentially determining the extent to which we shall be permitted to enjoy our religious liberties, ought not, in our judgment, to be left to the management of, nor should the expense fall solely upon, a single church.

We, therefore, respectfully request the General Assembly to take such action, and to make such provision, as will be necessary in order to a thorough vindication of its rights and prerogatives before that tribunal.

As an answer to this memorial the Committee on Bills and Overtures recommends the adoption of the following resolutions:

Resolved, 1. This General Assembly expresses its deepest sympathy for those churches in the bounds of the Synod of Kentucky which have become involved in expensive and harassing litigation while faithfully complying with the orders of the superior judicatories of the Church, and directs the Board of Domestic Missions and the Board of Church Extension to afford them all such assistance as it may be in their power to give.

Resolved, 2. While the General Assembly fully recognizes its obligation to be in subjection to the powers that be, yet so long as anything can legally be done, it must not and will not remain silent and inactive when its own rights and liberties and the rights and liberties of the whole Church are put in peril by injurious decisions in the civil courts; it expresses gratifi-

cation at the decision that has been rendered by the Circuit Court of the United States in the case referred to in the memorial, and it hereby appoints E. P. Humphrey, D. D., Edgar Needham, and General John M. Harlan, of Louisville, Kentucky, a Committee to counsel and coöperate with the proper parties in the appeal which has been taken in this case to the Supreme Court of the United States, and for the necessary expenses of said case in the Court from which, and in the Court to which it has been appealed, said Committee is authorized to draw on the Board of Publication for a sum not exceeding five thousand dollars.

The Committee on Bills and Overtures reported,

Overtures No. 11 and 61, from the Presbytery of West Jersey, and from Ruling Elder George H. Nitchie, on the subject of licensing laymen to preach.

The Committee recommends the following:

Resolved, That the deliverances of the General Assembly on the subject of the employment of the eldership in the service of the Church, render action in the direction indicated by these overtures unnecessary.

The report was adopted.

Overture No. 62, from the Presbytery of Potosi, (Declaration and Testimony,) in Missouri, signed by G. W. Harlan, as its Stated Clerk, protesting "against all those deliverances of the Assembly which are of a political order, and which culminated in the action of the Assembly of 1866, known as the Gurley order," and asking the Assembly "not to approve of any action which would result in the division of this Presbytery."

The Committee recommends the following minute:

Resolved, That this General Assembly having recognized the body represented by commissioners Rev. John Branch and Ruling Elder W. B. Titus, as the Presbytery of Potosi, no action is required on this overture.

The report was adopted.

Rev. J. B. Garritt, Chairman of the Committee appointed to bring in a special minute in response to delegation from the Protestant Churches of Bohemia, presented the following:

Resolved, 1. That the Assembly has received and heard with deep interest the Rev. Messrs. Von Tardy and Kaspar, representatives of the Evangelical Churches in Bohemia. Their statements in regard to the revival and spread of pure religion in their midst, and also in regard to their difficulties and trials, have awakened in the hearts of this Assembly warm sympathies with their brethren in that country.

Resolved, 2. That, reciprocating the fraternal Christian comity of these, our Bohemian brethren, the Assembly authorizes and directs their Standing Committee on Foreign Correspondence to appoint a delegate, when possible, to represent this Assembly before their General Council, and to convey to them the expression of our sympathy, and our Christian salutations.

Resolved, 3. That these brethren are hereby cordially commended to the hospitalities of our churches, with the earnest hope that their visit may awaken a lively interest among our people in the churches represented by these delegates.

Resolved, 4. That a Committee of Three be named to give counsel and encouragement to these brethren, in their contemplated visit in this country; the committee to consist of Rev. Charles K. Imbrie, D. D., Ruling Elder Robert Carter, of New York, and Rev. William Blackwood, D. D., of Philadelphia.

The report was adopted.

The Assembly entered upon the election of persons to fill vacancies in the several Boards and Theological Seminaries. Rev. L. G Hay, Rev. H. C. McCook, and Ruling Elder A. B. Belknap were appointed tellers. After counting the votes, the tellers announced that the following persons had been elected.

The Committee on the Records of the Synod of New York reported thereon, and the records were approved.

On motion of the Rev. Alexander McLean, Overtures Nos. 50 and 53, relating to the election of Ruling Elders for a term of years, were taken from the docket, and referred to the next General Assembly.

Two reports were received from the Stated Clerk, which were read and approved, as follows:

I. In reference to the answers on Reunion.

One hundred and forty-three Presbyteries have been entitled to vote on the overtures sent down by the last General Assembly. Three-fourths of these, required in the terms of the Basis for Reunion, must be one hundred and eight. The whole number of answers received, according to the constitutional mode of sending them up, is one hundred and ten. These are almost as much diversified in form as in number; and, in many instances, the same Presbytery has sent two or three answers, unlike each other, if not irreconcilable, indicating an unsettled and fluctuating judgment, which is, probably, without a parallel in the history of our Church. Often, also, the particular vote is reported revealing a large minority; in some instances, almost equal to the majority itself.

Although the mass of these returns would seem to defy analysis, the following attempt to classify them is respectfully submitted, as near enough, perhaps, to satisfy the purpose of the Assembly. .

Thirty-eight Presbyteries have approved of the Basis; but all of them, with only one exception—Susquehanna—express also, either willingness or preference for union on the Standards alone. They are Albany, Allegheny, Allegheny City, Buffalo City, Chicago, Chillicothe, Cincinnati, Columbus, Connecticut, Crawfordsville, Des Moines, Erie, Findlay, Holston, Kaskaskia, Londonderry, Luzerne, Madison, Marion, Miami, Michigan, Missouri River, Muhlenberg, Muncie, Nashville, Neosho, New Albany, Raritan, Sidney, Southwest Missouri, Steubenville, Stockton, Susquehanna, Topeka, Troy, Vinton, White Water, and Wooster.

Against the Basis are, first, those that make exception to it, while otherwise approving; the exception being generally to the qualifying clauses in the first article. These are, Carlisle, Corisco, Elizabethtown, Fairfield, Logansport, New Orleans, New York Second, Oxford, Peoria, Richland, Saltsburg, Schuyler, Western Reserve, and West Virginia; *fourteen* in number.

The next class are those Presbyteries which reject the Basis with formal expression, as a whole; and indicate, in some one of many different ways, a willingness or desire to unite on the basis of the Standards alone, in doctrine, polity, and worship, without qualification. They are, Benicia, Blairsville, Bloomington, Bureau, Burlington, Chippewa, Clarion, Donegal, Dubuque, Ebenezer, Frankville, Fort Wayne, Highland, Huntingdon, Lafayette, Leavenworth, Maumee, Monmouth, Nassau, New Brunswick, New Castle, New Lisbon, Newton, New York, North River, Northumberland, Ohio, Oregon, Passaic, Philadelphia, Philadelphia Central, Philadelphia Second, Potosi, Rochester City, Santa Fé, St. Clairsville, St. Louis, Siam, Vincennes, Warren, Washington, West Jersey, and Winnebago; *forty-three* in number.

The third classification against the Basis, consists of Presbyteries that express no wish for Union, at present, on any specified basis; but with much variety, also, in the greater or less unwillingness indicated. These are, Concord, Dane, Genesee River, Hudson, Iowa, Lewes, Lodiana, Long

Island, Louisville, Paducah, Potomac, Transylvania, Upper Missouri, West Lexington, and Zanesville; *fifteen* in number.

If we count against it, also, the thirty-three Presbyteries which have not answered regularly at all, there is an aggregate of *one hundred and five* in rejecting the Basis; the great majority of these, however, indicating plainly a desire for Reunion, on terms that will not override the Confession of Faith with any special stipulations.

Another peculiarity in most of these answers is, deliverance on a question which was not sent down to the Presbyteries at all, by the General Assembly, viz., Whether the General Assembly should be authorized to consummate Reunion with the other Branch on a different basis from that which was overtured, without sending this also down to the Presbyteries? This different basis, though mentioned with great variety of formula, is the Standards of the Presbyterian Church, without qualification. The Presbyteries favouring immediate consummation by the General Assembly are not agreed among themselves, that the Assembly really has this power, and many of them submit the question doubtfully and conditionally. They are the following, viz., Albany, Buffalo City, Chicago, Chillicothe, Cincinnati, Connecticut, Des Moines, Dubuque, Erie, Highland, Lafayette, Leavenworth, Luzerne, Madison, Marion, Maumee, Miami, Missouri River, Monmouth, Muhlenberg, Nassau, Neosho, New Lisbon, New Orleans, New York, New York Second, Ohio, Peoria, Philadelphia Central, Raritan, Richland, Schuyler, Sidney, Southwest Missouri, Steubenville, Topeka, Vinton, Warren, Washington, West Jersey, and Wooster; *forty-one* in number.

But against such consummation the following Presbyteries have declared themselves; some of them, because it is inexpedient, and others, with solemn protest, because it is unconstitutional. They are, Blairsville, Bloomington, Bureau, Burlington, Concord, Dane, Donegal, Ebenezer, Genesee River, Hudson, Huntingdon, Iowa, Lewes, Louisville, Michigan, New Brunswick, New Castle, Newton, North River, Northumberland, Paducah, Philadelphia, Potomac, Potosi, St. Clairsville, Transylvania, Western Reserve, West Lexington, Winnebago, and Zanesville; *thirty* in number.

Adding to these the Presbyteries which are silent on the subject, whether answering or not the overture sent down, we have an aggregate against consummation by the General Assembly itself of *one hundred and three.*

Another deliverance, on a question not overtured by the Assembly, is made by *seven* Presbyteries, to the effect that they are willing to dispense with the tenth article of the Basis, respecting the right of examination; for the sake of consummating the Reunion. These are, Allegheny City, Cincinnati, Kaskaskia, Miami, Nashville, Washington, and Wooster.

II. In reference to *Unbaptized Children.*

The Stated Clerk reports respecting the injunction made on the Presbyteries by the last General Assembly, to report the number of unbaptized children, that he has received reports from the following *twenty-three* Presbyteries, viz., Albany, Allegheny City, Blairsville, Bureau, Chippewa, Clarion, Fairfield, Genesee River, Indianapolis, Iowa, Lewes, Marion, New York, Ohio, Philadelphia Second, Santa Fé, St. Louis, Schuyler, South-west Missouri, Vincennes, Washington, West Jersey, and West Lexington.

As far as the figures have been particularly given, the number, in two hundred and seventeen churches, is one thousand three hundred and seventy-five; more than six to each particular church, but a little less than the proportion reported last year.

The Majority and Minority Reports from the Special Committee of the last Assembly, on the subject of Supplementing Ministers' Salaries, were taken from the docket and referred to the next General Assembly.

The Committee on Foreign Correspondence presented a letter from Rev. James F. McLaren, reporting that, according to the appointment of the last General Assembly, he had attended the meeting of the General Assembly of the United Presbyterian Church, and his fidelity was approved.

It was ordered that when the Assembly adjourns this afternoon, it be to meet in the First Church of Pittsburgh, on Wednesday, the 10th day of November next, at 11 o'clock, A. M.

On motion of Ruling Elder Henry Day, the Special Committee on the work among the Freedmen, raised by the General Assembly of 1868 (see *Minutes*, p. 606), and filled up by this Assembly, was continued and directed to report to the next General Assembly.

Dr. Waterbury offered the following, which was unanimously adopted by a rising vote:

Resolved, 1. That this General Assembly gratefully recognizes the liberal and kind hospitality with which it has been received and entertained by the Christian families with whom its members have sojourned. Especially does it acknowledge the very admirable arrangements made for it by the Brick Church, its pastors, and the Committee of Arrangements.

Resolved, 2. That the Assembly tenders its acknowledgments to the various Railroad corporations, for the liberal deduction from ordinary rates which they have allowed its members in coming and returning; also to the press, for the careful reports of its proceedings.

Resolved, 3. That it also offers its grateful acknowledgments to those who have entertained its members in the social gathering that was provided for them (especially to such of them as are connected with the other branch of the Presbyterian Church); and to those in charge of the public institutions and exhibitions to visit which invitations have been extended.

On motion, the thanks of the Assembly were voted to the Moderator, for the dignity, impartiality, and courtesy, with which he has presided over the deliberations of this body.

The minutes of to-day were read and approved.

After singing a hymn, followed by a prayer by the Moderator, and the apostolic benediction, the Assembly adjourned, at 5 o'clock, P. M., to meet in the First Presbyterian Church in Pittsburgh, Pa., on Wednesday, the 10th day of November next, at 11 o'clock, A. M.

NARRATIVE ON THE STATE OF RELIGION.

ADOPTED BY THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH IN THE UNITED STATES OF AMERICA, AT ITS SESSION IN NEW YORK, MAY, A. D. 1869, AND ADDRESSED TO THE CHURCHES UNDER ITS CARE.

THE Committee appointed by the General Assembly to prepare a Narrative on the State of Religion in the Presbyterian Church, during the past year, respectfully submit the following report:

The materials from which we have gathered information on this subject, are not so copious as we could desire. One-third of the Presbyteries have failed to forward their reports to this Assembly. But if this part of our Church has received the blessings of the Lord in a like proportion with the other two-thirds, it will be found, we think, that not many annual reviews of our history would contain more abundant occasions for gratitude to the great Head of the Church for his manifested love and grace towards this portion of his kingdom.

We would not imply by this, that there are not manifold causes for humiliation and profoundest sorrow; but we can truly say, where sin hath abounded grace doth much more abound. The mercies we have received are so great and so varied, that despondency, on account of the short-comings of the Church and the hinderances that obstruct our way in the world, is forbidden, and we are greatly inspirited to toil and pray another year for the Master. The providence of God joins with his word of promise, and bids us, with the strongest emphasis, "go forward."

A careful analysis of the reports from the Presbyteries reveals a number of important matters pertaining to the history of the Church, to which we would direct your attention.

We find striking illustrations of the principle, that the activities of evil and error are very much determined by those of goodness and truth. The special and wide-spread manifestations of Divine grace, enlarging and establishing the kingdom of Christ in the world, are marked by a corresponding development of the powers of the adversary. The progress of righteousness and truth among men has always been by a decisive antagonism. The obstacles in the world to the increase of spiritual power in the Church are ever augmenting. Sin keeps pace with holiness, and if the race in some respects is growing better, it is also growing worse. The Church becomes more and more militant as the day of her triumph approaches; and the existence and multiplication of varied forms of error and of wrong, the banding together of the enemies of spiritual Christianity for its assault and overthrow, are to be expected in view of the movements of the Spirit of God throughout the Church. For all such movements are as the leaven in the meal. Quietly, steadily, profoundly, they impregnate the social and civil life of the world. They so work as to anticipate, in no small measure, the plans and purposes of evil, and become the objects of earnest attack after they have gained a foothold in communities and states.

Hence the virulence and the prevalence of the diversified forms of infidelity and error and sin, which are referred to in so large a number of the reports, are no causes for dejection, but they rather serve to stimulate the activities of God's people and inspire ardent hope; for He who is so signally with us, is stronger than all that are against us.

Within the bounds of the Church, during the past year, the providence and Spirit of God have concurred in a remarkable degree to manifest the sovereignty, presence, and love of her Redeemer and Head. The demonstration is perfect, that the Lord has not forgotten nor forsaken us; that he still loves the gates of Zion and the dwellings of Jacob, and is graciously leading and supporting his people in their inroads upon the kingdom of Satan. There have been more evils to assail, more wrongs to right, more errors to unveil and denounce, than at some other periods; but these evils and wrongs and errors have not been strong enough to prevent the steady and, on the whole, successful aggressions of the Church.

The civilization which Christianity creates and promotes, in turn seeks to hinder and overthrow the sacred power to which it owes its existence and its vigor. We were at first surprised at the very frequent mention in the Presbyterial narratives of the increase of Sabbath desecration, profanity, intemperance, and other vices which has marked the completion and operation of the many new lines of railroads in our country. These railroads have brought together into the villages and cities that have rapidly sprung up along their routes, not only persons from the East with their capital and experience and energy, but multitudes from the surrounding agricultural districts. Here we plant our churches, and bring the restraints of religion and humanity to bear upon the population. Here sin and grace, Christ and Belial, at once come into conflict, and an amount of Christian vigour is developed which was lacking in the more sparsely settled farming country. Here the Sabbath-school is organized; the word is statedly preached; associated piety takes shape; and the enemy, alarmed at the threatening encroachments, is more active, and infidelity and open vice and associated follies and vanities appear. This is the story we hear, throughout our land, where the means of intercommunication are multiplying.

The most noticeable features of the power, aggressiveness, and temper of our religion, revealed in the Presbyterial Reports, are, (1.) the steadfast growth of Sabbath-schools. Almost every Presbytery remarks not only a flourishing, but an advancing condition of this most important instrumentality of the Church; an instrumentality unknown to our fathers, and a source of direct Christian influence upon the world, calculated to arouse our great foe to varied attempts to counteract its blessed workings. To this we may add the attention which is given to instruction in the Catechism in many places where it was before neglected. (2.) An increasing regard to the ordinance of *infant baptism*, a result, doubtless, of the admonitions of former Assemblies on the subject. (3.) Greater and more systematic liberality to the objects of Christian benevolence. (4.) The almost universal peace and harmony that prevail throughout the Church; with an augmented attendance upon the preaching of the gospel. (5.) The liquidation of church debt; the erection, and the improvement and enlargement of houses of worship; the organization of new churches; and the building of manses, looking towards not only the comfort, but the permanence of pastors in their charges. (6.) The establishment, in the larger towns and cities, of mission enterprises, involving, in many cases, effective coöperation with other evangelical denominations in the work of Christ. And, lastly, the special visitations of the Spirit of God. Very few of the Presbyteries fail to report revivals of religion in one or more of their churches; and in quite a large number we have accounts of extensive works of grace, dating, in many instances, from the week of prayer. In the Presbytery of Londonderry, three of the churches have been specially blessed; the church in Boston having received one hundred and thirty-two on profession of their faith, within a few months. In the Presbytery of Zanesville, forty-five, forty, thirty-four, twenty seven, and twenty-six, have been added to five of the churches. The Central Presbytery of Philadelphia reports an average addition of twenty-seven, on examination, to each church. The Presbyteries of Long Island, Huntington, West Jersey, and Catawba, while not naming the numbers added to their churches, indicate wide-spread and powerful manifestations of the Holy Spirit. In the Synod of Missouri, fifteen churches report an average addition, on profession of faith, of over fifty persons to each church. The Presbytery of Washington names seven churches, each of which has received over forty. The Presbytery of Madison has been

greatly blessed. We extract from their report the summary of a remarkable work of grace in the borders of the Bethel church: "Seventy-eight were received into the church; of these, seventy were baptized during the meeting, showing that it was a direct inroad upon the world. Among the converts there were only one or two as young as fourteen years; while there were eleven grand-parents, thirty-three parents, thirty-five females, and forty-three males."

Such are some of the evidences of the power and grace of God in our beloved Church. This imperfect and rapid sketch gives a very faint idea of the impression which the careful perusal of over ninety narratives is adapted to create.

Notwithstanding this record of blessings, we find many occasions for humiliation. God deals with us in judgment, as well as in mercy; by the withdrawal, as well as by the descent of His Spirit, and we must recognize his fatherly displeasure and discipline in the darker side of the picture presented in the Presbyterial narratives. The failure of the Church more effectually to stem the tide of Sabbath desecration, intemperance, profanity, infidelity, and other vices complained of, is not to be resolved into the Divine sovereignty, but the culpable unbelief, lukewarmness, covetousness, and worldly conformity of professing Christians. The power of the Church is Divine. It is irresistible when exerted in simple faith; all things are possible to a believing Church; and we have grieved and limited the Holy One of Israel, and, therefore, it is that our work is so imperfectly done, the harvest field of the world so partially reaped.

While we have reason to believe the preaching of the word is faithful and earnest, the evidences are manifold that the discipline of the Church has been relaxed, and offences against her peace, purity, and efficiency pass unrebuked. The keys of the kingdom are just as sacred a trust to the officers of the church, as the preaching of the word is to the ministry; and the neglect or refusal to use them, on the part of those who hold them, must result in the displeasure and measurable withdrawal of the favour of God.

Some of the Presbyteries make mention of the lamentable fact, that there is no family altar in many of the households of their churches. Assuredly where this is the case, there is little encouragement to expect signal spiritual blessings from the Head of the Church. We trust especial attention will be given to this matter in those Presbyteries where the deficiency is known to prevail.

There is another evil referred to in the reports of several Presbyteries, calling for special remark and consideration. A very large number of our churches, particularly in the Middle and Western States, have no settled pastors. The system of stated supplies obtains; a system unknown to the Constitution of our Church, and frequently condemned by the General Assembly, as "tending to disorder and injury in many ways." More than four hundred and fifty of our ministers hold this anomalous position in the church. We are of opinion that the pastoral relation, as constituted by the forms of our Book, is the normal one, appointed by Christ, and best adapted to secure the blessings of the Spirit to the people. The feeling of permanence, the sense of responsibility which the solemn engagements of both minister and church create, the peculiar nature of the tie which binds the twain together in this relation, are exceedingly important in connection with the dispensation of the Spirit; and we believe that the usefulness of both parties would be greatly augmented by this more intimate and scriptural bond.

Reports have been received from only two of our Foreign Presbyteries; those of Ningpo and West Africa. Our brethren there are labouring with steadfastness and hope, and should receive the warmest sympathies and prayers of the entire church at home.

In view of the dealings of God with us during the past year, we have the largest encouragement for the future. And it is our expectation and earnest prayer, that with the auspicious event of the Reunion of the two branches of the Church happily consummated, the windows of heaven will be opened, and that union be sealed and cemented by an unprecedented outpouring of the Holy Spirit.

DANVILLE THEOLOGICAL SEMINARY.

ANNUAL REPORT OF THE BOARD OF DIRECTORS.

The Board of Directors of the Theological Seminary at Danville, Kentucky, respectfully presents the following as its Sixteenth Annual Report to the General Assembly.

As the Seminary's operations had been suspended for a time, none of the students in attendance during the term had been previously connected with it. They were twelve in number, to wit:

J. G. Bergen,	graduate of	Nassau Hall.
John Boyle,	"	Centre College.
Christopher Carothers,	"	University of Chicago.
David Clark,	"	Miami University.
Reuel Dodd,	"	Wittenburg, Ohio.
W. W. Evans,	"	Centre College.
S. G. Fisher,	"	Washington and Jefferson College.
A. Marcellus,	"	Nassau Hall.
W. L. Stevenson,	"	Yale College.
L. F. Walker,	"	Miami University.
James Wilson,	"	Hanover College.
N. A. Rankin,	"	Nassau Hall.

Of these students, the following, after remaining a longer or shorter time connected with the Institution, were permitted to withdraw, or left the Seminary, viz., John Boyle, S. G. Fisher, J. G. Bergen, W. W. Evans.

Of the remaining students, (all of whom pursued their course of study here with commendable diligence and marked success,) N. A. Rankin, D. Clark, and C. Carothers, were received from the Northwest Seminary; and R. Dodd, A. Marcellus, and W. L. Stevenson, from the Seminary at Allegheny. And of these, A. Marcellus and R. Dodd having completed the prescribed course of study, received the customary diploma of graduation.

The chairs of Exegetic, Didactic, and Polemic Theology, and of Biblical and Oriental Literature; and of Church Government and Pastoral Theology, were occupied during the whole term (which then concluded with October) by their respective Professors. The Rev. Nathaniel West, D. D., (elected as Professor of Biblical and Ecclesiastical History, by the General Assembly of 1868,) entered upon the discharge of his duties about the middle of July, and continued likewise until the end of the term. The Board further reports that he was publicly inaugurated into office on October 15th, together with Drs. Yerkes and Landis, who had qualified before the Board at the commencement of the term.

The Board, agreeably to the powers with which it is vested, has added one month to the Seminary term, by directing that instead of closing on the last secular day of October, it end on the last secular day of November; thus rendering the period of instruction of equal length with that of the other Theological Seminaries. The summer term possesses many advantages to the students on the score of economy; and allows them also the advantage of the winter months for engaging in academical instruction. The present term has opened favourably, and the Board respectfully requests that no change be made in regard to the summer term by the General Assembly.

The funds of the institution have considerably increased during the year, and appear to be safely invested, and to have been well managed by the Board of Trustees, (to whose report the Board refers for details,) and are in as prosperous a condition as could be expected.

The library has received, through Dr. R. J. Breckinridge, from the "Danville Review Association," all the incomplete sets of the *Danville Review*. The same association has likewise presented, through Dr. Breckinridge, to the Board of Trustees, for the use of the Seminary, the stereotype plates of the

Review. The first condition of these gifts thus presented, is that the Trustees of the Seminary will proceed to have a certain number of volumes completed of the full work for sale without delay. And Dr. Breckinridge, on behalf of himself and his associates, has presented one thousand dollars ($1000) towards the foundation of a Scholarship, which sum is for the most part made up of net earnings of the *Review*.

The Board reports further that the term of office of the following Directors expires with the session of the General Assembly of 1869, to wit:

Ministers.	*Ruling Elders.*
Wm. L. Breckinridge, D. D.	J. C. Maxwell,
T. H. Cleland,	G. W. Welsh,
R. A. Johnston,	George Denny,
S. J. Niccolls, D. D.	L. L. Warren,
J. C. Young.	G. T. Wood.

And moreover, since the Constitution or "Plan" of the Seminary provides that "every Director who refuses, or who fails without some sufficient excuse, for one whole year next after his election, to appear and qualify, and take his seat, shall thereby forfeit his right to do so; and his place shall thereon become vacant, and be so reported to the next Assembly, which shall fill the vacancy," the Board reports further that the following vacancies have occurred, to wit:

Of the class to serve till 1870, S. D. Crothers, *Minister;* and B. F. Avery and William Prather, *Ruling Elders.*

Of the class to serve till 1871, the following:

Ministers.	*Ruling Elders.*
R. F. Caldwell,	D. G. Curry,
T. F. Cortelyou,	E. A. More,
George Morrison,	R. Rodes.
J. L. McKee, D. D.

ABSTRACT OF THE ANNUAL REPORT FOR 1868-9.

During the first six months of the fiscal year, the Board was very much embarrassed for want of funds; but, by the blessing of God and the liberality of the churches, it was enabled to close the year with comparative prosperity.

The number of missionaries in commission during the year was five hundred and forty-six, distributed over thirty-one States and Territories. The number of churches and missionary stations wholly or in part supplied, (as far as reported) by our missionaries, is eight hundred and twenty-four. The number of newly organized churches is sixty. The number of admissions on examination is two thousand seven hundred and ninety-two, and on certificate, one thousand nine hundred and thirty; making a total admission of four thousand seven hundred and twenty-two. The number in communion with churches connected with the Board is twenty-six thousand and seventy-eight. The number of Sabbath-schools is four hundred and fifty; of teachers, three thousand eight hundred and sixty-six; and of scholars, thirty thousand two hundred and forty-five. As one-fourth of the missionaries have made no statistical reports, one-fourth should be added to the above numbers.

The appropriations made to our missionaries during the year, were $113,749.00.

The receipts during the year from all sources, were $157,222.23, to which add balance on hand March 1, 1868, $19,443.99; making the available resources of the Board during the year, $176.666.22.

The payments during the year were $115,818.09; leaving a balance in the treasury, on March 1, 1869, of $60,848.13. The amount due the missionaries at the same date was $12,500.00, leaving an unexpended balance of $48,348.13.

One hundred and thirty-seven boxes, barrels, and packages, containing clothing valued at $24,123.85, were received and distributed among the missionaries during the year; and nineteen boxes, barrels, and packages, of which no valuation was reported—the value of the whole being probably $27,500.00.

The objects of the Board are two-fold. 1st. To aid weak churches by supplementing the salaries of their ministers; and, 2d. To gather and organize new churches.

The field of operations of this Board is the United States—our own dear country—the population of which is at present forty millions, and which in thirty years will probably reach one hundred millions.

TRUSTEES OF THE BOARD OF EDUCATION.—George Sharswood, LL.D., William Speer, D.D., William Main, H. L. Hodge, M.D., Henry D. Gregory, Morris Patterson, E. R. Beadle, D.D., John K. Findlay, James F. Gayley, M.D.

There was presented to the General Assembly this year, first the Annual Report; secondly, in commemoration of the close of the fiftieth year of its existence, a Centenary Review, summing up the operations of the Board from the beginning in 1819. Each of these will be noticed here.

ABSTRACT OF THE FIFTIETH ANNUAL REPORT.

The occasion of the fiftieth anniversary of the organization of the Board is referred to as one calling for special thanksgiving to God, and it is stated that in commemoration of this occasion, a separate Semicentennial Report will be offered to the Assembly, in view of which it is deemed proper to make the present Annual Report more brief. The deaths of Rev. Drs. Joseph H. Jones and Phineas D. Gurley, members of the Board, are mentioned; the former long a member of the Executive Committee, the latter originally a candidate under the care of the Board, and on two different occasions invited to be Corresponding Secretary, though neither time with success. The year is spoken of as one of spiritual sterility; but few revivals in the churches, and the increase of candidates for the ministry somewhat checked.

MINISTERIAL EDUCATION.

The only theme urged in this Annual Report is that of the very great importance of *Presbyterial care of candidates.* The resolutions of the last General Assembly are urged upon the attention of the ministry and eldership, and it is shown that, from the appointments of the Scripture, from the nature of the organization of the Church, from that of the Board, and from the nature of its work, and its capabilities, it is manifest that the Board as such can have but a *general* supervision over the candidates of the Church, and that if pastors and presbyteries neglect the particular supervision of their character, spirit, training, and employment, so as to secure that they shall be made efficient pastors, the most lamentable results will follow. "The function of preaching will assume a greater importance in their eyes than that of the pastoral care of the flock. Intellectual and heartless sermons, critical and 'itching ears,' luxurious edifices which exclude the poor, formal religion, the decay of Christian love and charity, love of the world, self-indulgence, decrease in the number of students for the ministry, and general reluctance to give the money, and employ the instrumentalities, which are necessary for the communication of the blessings of the gospel to the destitute, and the spread of it through the world—these will as directly follow as that the character of the

crop is decided by that of the seed, as the character of the man by that of the boy." The opinions and examples of several eminent ministers are quoted. It is declared that "the *first steps towards the conversion of the world* are the growth of earnest piety in children; the elevation of the standard of education; and the cultivation in the breasts of the rising ministry of a spirit of self-denial, unquenchable love for souls, willingness to endure hardness, as good soldiers for Christ, and readiness as soldiers to follow and to fight, to live and to die, wherever the great Captain of Salvation calls them." Proofs of the necessity of the care over the students for the ministry are given from the correspondence of the Board. And the duty of pastors, of presbyteries, and of the Church at large to this subject is urged.

The statistics of candidates, for the eleven months only which form the ecclesiastical year new closing, are as follows:

Number of new candidates received,		84
Whole number during this time, in theological course,	108	
in collegiate course,	119	
in academical course,	107	
Total candidates on the roll,		334
Entire number of candidates for the ministry, received from the beginning, in the year 1819,		3,606

"It is encouraging to note that the total number of candidates aided by the Board is larger than during any previous year since 1862, and is 40 more than during last year. On the other hand, were the flame of piety warm in the Church, and were the spirit of aggression upon the kingdom of Satan active, there would certainly be many more young men preparing for the ministry of the gospel."

The following is the statement of the condition of the Treasury from the 1st May, 1868, to the 1st April, 1869, (eleven months—the fiscal year in future to be from the 1st of April.)

	I. CANDIDATES' FUND.	II. SCHOOLS AND COLLEGES.
Receipts,	$35,359 34	$3,063 76
Balance, 1868,	13,208 05	1,056 55
	$48,567 39	$4,120 31
Payments,	41,748 23	3,152 51
	$6,819 16	$967 80

Total receipts from all sources, for eleven months, $38,423.10. For the corresponding months of the previous year, the receipts were 38,378.38. Increase, $44.72.

The Board's collections for the month of April make the amount for the period corresponding to the previous fiscal year $582 larger than for that time. Yet the increased demands upon the Board make it entirely inadequate. And a number of appeals from schools and literary institutions have had to be refused, greatly to the regret of the Board.

General Education.

In view of the special Semicentenary Report, notices of other institutions than those which have received aid this year or recently, or which have sent reports for insertion, are omitted in this Annual Report.

The number of institutions aided has been, five parochial schools, eight academical institutions, two colleges; and of schools for foreign populations, six German parochial schools, two French schools, the academy in Santa Fé, New Mexico, and the German Theological Seminary at Dubuque, Iowa. The reports from these institutions are well worth perusal, as showing their usefulness, furnishing information as to education in various parts of the country, and supplying items as to individual cases which may be used with effect in the Sabbath-school and the prayer meeting, and will encourage Christians to pray for the descent of the Holy Spirit upon the young.

SEMICENTENARY REVIEW.

This document is designed to be "A Practical Summary of the Principles and Work of the Board of Education of the Presbyterian Church in the United States of America, from its Establishment in 1819 till the present time." It is divided into two principal parts, each containing several chapters or divisions.

I. Ministerial Education.

1. *Formation of the Board.*—The establishment of a "General Board of Education" was the consummation of a series of experiments, during at least eighty years previous, to furnish a satisfactory agency of the Church for the education of young men for the ministry of the gospel. Particular schools had been established; scholarships had been founded in suitable institutions; education societies of various kinds had been formed; churches, presbyteries, and synods had resorted to different means to increase the number of candidates, and supply them with a proper education for their great work. But a uniform, effective general system was needed, in harmony with the Presbyterian Church government, and capable of meeting the great and increasing wants of the country and of the fields of missions to the heathen, towards which the Church was beginning to turn her attention.

The immediate steps connected with the formation of the Board are related in an extract from the First Report.

2. *Fundamental Principles and Motives.*—Contemporaneous history and the establishment just previously of the Board of Missions, United Society of Foreign Missions, the American Bible Society, &c., are brought to show that the Board of Education of the Presbyterian Church was the offspring of the Spirit of God in great revivals of religion in America and Europe; and it was the pledge and the means of a new and determined purpose to give the gospel to mankind, in efforts towards the increase of candidates for the ministry, and their proper education for that end.

3. *Illustrations of these Motives and Principles in the History of the Board.*—In these are sketched the character and influence of the Rev. Dr. John Breckinridge, to whose clear and powerful mind the Board owes its reorganization in the year 1831, upon Presbyterian principles. Several extracts are given, in order to exhibit his principles and efficiency in the cause of education. The same is done with reference to the Rev. Dr. M. B. Hope and the Rev. Dr. C. Van Rensselaer. And these historical statements, with those of the preceding chapters, are employed in order to show that "the fundamental motives and principles inwrought into the organization of the Board may be summed up as follows:

1. The work of raising up ministers for the Church is a vital and organic function of the Church; it is not to be entrusted to outside and irresponsible societies.

2. The Board of Education is the mere instrument of the Presbyterian Church in its organized form, and is immediately connected with its supreme court, the General Assembly, to be directed by it, and responsible to it.

3. The grand object of the Board is evangelistic; it is the first step of the Church towards supplying the world with heralds of salvation; and its success will be exactly commensurate with the vigour of the Christian life in the Church.

4. The Presbyteries of the Church are its direct and sufficient means in the selection and care of students, and its authority in the appropriation of funds.

5. The amount of aid granted shall on the one hand be sufficient to really encourage and advance the faithful, the deserving, and energetic, while it yet leaves something to be done by themselves, and thus stimulates activity, self-reliance, and economy; but it shall not, on the other hand, be enough to attract the indolent, the insincere, or the ambitious.

6. The Board shall provide for students throughout the entire academical, collegiate, and theological course of preparation for their calling.

7. It shall receive young men from all the Presbyteries and churches; it shall assure every one recommended of a proper measure of aid; and it is to be supported by contributions from all the churches."

4. *Provision for Physical Wants.*—The first efforts in this direction were towards securing paternal and "domestic education" and care from pastors. An advance upon this was the scheme of "Manual Labour Schools." Several of these are noticed, and the reasons for, and objections to, the plan are stated. The ideas as to the rates of assistance to be granted to students in the various stages of advancement in study are mentioned, and the conclusions to which the Church has come.

5. *The Spiritual Care of Candidates.*—This topic embraces the account of the "Education Societies," the "Auxiliary Boards," "Examining Committees for the Board," supervising "Agents," and other means by which the Church reached her present conceptions and forms as to her relation to the candidates for the ministry, which must be chiefly exercised through the Presbytery. There is given a plain and full statement of the relative offices of the Assembly, the Board, the Presbytery, and the pastor, as they affect candidates.

6. *The Financial Policy of the Board.*—Three periods are traced in the financial history of the Board—those of the systems of voluntary auxiliaries, of paid agencies, and of Presbyterial coöperation. Under this important subject the deficiency of the previous systems is exhibited and illustrated, and that of "systematic beneficence," the plan revealed in the word of God, the wisest, and, as Dr. Hope says, "the best plan of all," is briefly explained, in the hope that the time has come for an expansion of the statement of it on the part of our highest Church court, and for more thorough legislation for the development of the great resources of the Church, with a view to the establishment of what is so accordant to the Presbyterian order, as "a great scriptural, simple, universal, efficient, and abiding system." "Its benefits have been so great to our own Church in the limited and partial working of it thus far, and have been so much more conspicuous in the Free Church of Scotland, which has employed most of its features, that we would be within bounds in saying that its complete and vigorous operation, in the power it would give to the Church for good in all the broad harvest field of earth, would introduce a new Reformation and expansion of the Christian religion."

7. *Numerical Statements of Work and Results.*—Ten separate valuable tables or summaries are arranged under this head. 1. The Annual Number of Candidates from 1819 to 1869; giving the new candidates, and the total number under the care of the Board, for each year. 2. A summary of the preceding table; to exhibit the effects of periods of revival and Christian activity. 3. Classification of the Candidates according to Synods and Presbyteries; showing at a glance the entire number recommended by any of them during the fifty years. 4. Ages of Candidates, and suggestions from the subject. 5. Average Number of Years Assisted; being about 4.76 years, or four years and nine months. 6. Amount of Failures. During 25 years, out of 2,453 names, there appeared to be not far from 27 dropped from mental incapacity, 17 for defects in doctrine or improprieties of conduct; 45 for engaging in secular employment; total, 83. There died, or ceased study from ill-health, 26. 7. Average Cost to the Church; about $426.04 each. 8. Proportion to the entire Present Ministry. Of 2,294 ministers (in 1867), 1,058 had been assisted by the Church through this Board; over 46 per cent. 9. Benefit to the Aggressive Work of the Church. It has afforded aid to over half of the missionaries of the Church probably; out of 539 Domestic missionaries in 1867, to 305, or 56.5 per cent.; and to 34 of the 67 Foreign missionaries. 10. Financial Summary. The receipts are stated for each year from 1819 till 1869, (total $1,537,338.) From 1847 till 1869, they are separated into those from congregations, (total, $712,217); miscellaneous, (total, $98,226); legacies, (total, $108,494); school fund, (total, $118,952); teacher's and African fund, (total, $4,908.)

II. General Christian Education.

(*Schools, Academies, and Colleges.*)

1. *Earlier History.*—The first decided move towards it was the appointment of a Committee of the General Assembly in 1839, whose chairman, Rev. Dr. Samuel Miller, reported on the subject in 1840, and the report was ordered to be printed by the Board of Publication. A report was made in 1846, by Rev. Dr. James W. Alexander, in behalf of another Committee. The scheme was

energetically undertaken by Rev. Dr. Van Rensselaer in 1846, and pressed forward by the coöperation of Rev. Drs. Wm. Chester and Jas. Wood.

2. *Results.*—Thirty years of experiment have shown the unwillingness of the Church to adopt it. The highest number of parochial schools was in 1853; in 101 out of 2,879 congregations; there are probably now 25 in our 2,737 congregations, and few in the 1,140 lost during the rebellion. The efforts in behalf of academies and colleges have been somewhat more successful; in 1856 there were 48, under 40 Presbyterial or Synodical supervisions; now probably 20. The history of Synodical colleges has been a painful one.

3. *Causes of Failure.*—1. Failure of the churches to contribute. The funds given have come mainly from a few individuals in the East. 2. The anomalous position of the cause amidst the claims of the Church: not be to supported from the general treasury of the Board; no Sabbath collections for it; not included in list of objects for systematic contributions; few remember it on the Day of Prayer for Colleges. 3. Theoretical objections to it: fear of centralization of power; opposition to exclusive system of schools; necessity of common resistance to Roman Catholic aggression; dangers to common school system of the land from the insidious infidelity of the present time. 4. Insuperable practical difficulties: the vast expenditures necessary to make it successful, and refusal of the people to add this to the taxes necessary to support the common schools; the impossibility of obtaining teachers to meet the special requisitions of the system (a want met in Scotland, by creating the office of "teacher or doctor" in the Church); and the ill success of these schools as to their special object, the increase and better education of candidates for the ministry. And the precedent for its success in the Presbyterian churches of Great Britain has failed us. Some of the most observing leaders of the march of mind among our brethren there have proclaimed that its mission is ended, and that a new order of things is needed to save the masses, and to meet the progress of democratic ideas of government which are now upheaving society. It becomes us then thoughtfully and prayerfully to consider towards what course the all-wise Head of the Church points us.

4. *Statistics of General Education.*—1. Annual summary—of institutions aided; of number of Presbyteries contributing; of churches contributing; of total number in the Minutes of the General Assembly; and of the amounts given. (Total from 1847–69, $118,944.) 2. Distribution of institutions aided each year, according to Synods and Presbyteries. (Total, 17 colleges and seminaries, 58 academies, 131 parochial schools.) 3. Annual contributions to this department arranged according to Synods and Presbyteries.

5. *Duties of the Future.*—1. In relation to the common school system: to guard and administer wisely its funds; to secure and raise up good teachers; extend and perfect its education; and to give it a moral and religious tone. 2. Work for the Board of Education: to aid schools in destitute regions; to assist more advanced institutions; and to foster mission schools for foreign populations.

3. *Duty of the Church.*—It needs a general awakening of interest on this great subject; it should supplement the common school education by that which is more advanced and more religious; should multiply Sabbath-schools as a missionary agency; should cultivate female education; and should make new efforts to give the gospel and sound education to the poor.

"And, to sum up a great deal in a few words, the Church will lose its power, by the righteous judgment of God, unless it heartily throw the whole energies of its ministry and people into the duty of meeting the great emergency of the nation, the age, and our race, which the All-wise and Everlasting Governor of the world has called his servants of this generation to face. We are unworthy of our forefathers and our creed, unless we give ourselves anew, at this juncture, to bring home the gospel of life, and comfort, and hope, to the poor and to their children, through all the means he has put so liberally in our hands. We must labour to reach the masses; to seek and to save that which is lost; and by our influence in schools, in the pulpit and its appointments, in the structure of our church edifices, in our religious publications and literature of every kind, to reach millions for whose soul now no man cares, but whose salvation, it is not presumption to affirm, was part of the mighty

burthen which the agonized Redeemer bore when he undertook on the cross, and by the cross, 'to draw all men unto him.'"

There are some special recommendations in the conclusion. Renewed zeal of pastors is needed to awake the Church to the perils and duties of the present period. Enlarged efforts must be made to increase the numbers and efficiency of candidates for the ministry, which (it is shown by accompanying tables) have declined greatly in number in proportion to the average number of members of the Church, and still more in proportion to the growth of the population of the United States. There should be established chairs of evangelistic theology in our theological seminaries, for the special and thorough instruction of candidates for the ministry; as to the doctrines, commands, and examples of the word of God; the duties of pastors and other officers of the Church; the structure and work of the Boards of the Presbyterian Church; and the general objects and fields of employment which look to the leavening of society and the world with the leaven of salvation. The presbyterial care of candidates should be more universally and more effectively maintained. And, as a most vital want of the cause of the Redeemer, there should be an effective organization of our beloved Church, so complete in all but in that which is now most necessary, so as, by the coöperation of session, presbytery, synod, and General Assembly, to secure the pecuniary contributions of every individual member, in some just proportion, as God has prospered him, from a willing heart, an informed judgment, and a sincere love to his Master and his kingdom.

ABSTRACT OF THE THIRTY-SECOND ANNUAL REPORT.

In the missionary year of the Board that has just closed, many evidences of God's presence and power in the foreign field have been seen, and many tokens of his providential care and love in sustaining and directing the cause at home, have been experienced.

Missions.—As in former years, the Board has laboured among the Jews and Indian tribes of our own country; among the Chinese in California; among the Romanists in Brazil and the United States of Colombia; in Liberia and Corisco on the Western Coast of Africa; in Japan, China, India, Siam, and among the Laos. The Board has in these different missions, sixty-three stations and sub-stations—of these, eight are in this country, four in South America, one in Japan, thirteen in China, three in Siam, twenty-one in India, and thirteen in Africa. Two new missions have been established during the year among the Winnebago and Navajo Indians.

Missionary Labourers.—These Missions have been strengthened the past year by twelve ordained ministers and fourteen assistant missionaries; of these, five were unmarried ladies, and nineteen were new labourers. One native has been

ordained to the gospel ministry in India, and three have been licensed to preach the gospel in China. In connection with the Board are 82 missionaries, 13 ordained native preachers, 10 native licentiates, 86 assistant missionaries, of whom four are physicians, 193 native helpers, 48 churches, and 1,833 communicants. Schools of various grades have been organized, and have been attended by 7,400 children. Several conversions have been reported from among the scholars. Girls' schools are increasing in number.

Death.—Two ministers have been removed by death, the Rev. James H. Orbison, of India, and the Rev. Edward Boeklen, of Liberia. The former had just returned with his family to this country, and was suddenly called to his Father's house; the other died in Africa amidst growing usefulness. Mr. B. V. R. James, who had laboured in Liberia for thirty-two years and been ever faithful to his work, was also removed by death.

Receipts.—The receipts of the Board from all sources have been $338,498, and the expenditures, with the debt of last year, have been $343,798, leaving a balance against the treasury of $5,300. The continued monetary derangement of the country interferes with the efficiency and with supplying the demands of the work abroad.

Progress.—The year has been one of marked progress in additions to the mission churches, in educational efforts, in the preparation of a native ministry, and in the increase of labourers, native and foreign. Never was the work in all its details in such a healthy condition, and what is needed is a thorough appreciation by the Church of her duty and her relation to it. The debt of the preceding year has been reduced and the expenses of the current year met by the help of a large legacy. But for this the debt would have been $73,000. To sustain the advancing work greater means must be supplied, and the alternative is now, that more must be done at home for the heathen, or less abroad among the heathen. The Church has the ability, may she have the grace to come up to the demands of her divine Head and the requirements of the cause in the different missions.

ABSTRACT OF THE THIRTY-FIRST ANNUAL REPORT OF THE BOARD OF PUBLICATION.

In its Thirty-first Annual Report the Board of Publication gratefully records its sense of the goodness of God, who has carried it with so large a measure of success and usefulness through another year of labour. Many new publications have gone forth from its presses to aid in diffusing a knowledge of divine truth in this and other lands. Millions of pages of books and tracts have carried from its depository messages of salvation to them that sat in nature's darkness, and of instruction and encouragement to the people of God. And we are permitted to rejoice in having received during the past year, in even larger measure than usual, tokens of the Divine approbation and blessing in the accompanying and converting influences of the Holy Spirit.

The following report is for the year extending from March 1, 1868, to March 1, 1869.

Of the *Record*,	197,250	"
Of the Annual Report of the Board,	3,500	"
Of the Report on Reunion,	5,000	"

The last Assembly, by a special resolution, "recommended to the Board to make diligent effort to print and circulate a larger number of books adapted to that class of the young who are of more advanced years and culture." The Board has endeavoured to act in accordance with this recommendation, and a large proportion of its publications during the coming year will be of the kind recommended. A number of highly valuable and interesting works of this description have already been secured, and will be issued as speedily as possible.

The Board has now in press a number of books and tracts in the Portuguese language. These are published at the instance of brethren connected with the Presbytery of Rio de Janeiro, and mainly for their use. The Shorter Catechism has already been issued.

The Board takes pleasure in stating that it has in press "*A Commentary on the Confession of Faith, with questions, for the use of Theological Students and Bible Classes,*" by the Rev. A. A. Hodge, D. D., the learned and able author of "*The Atonement.*"

The Sabbath School Visitor.

The Board reports a continued increase in the circulation of the *Sabbath-School Visitor.* The issue of the monthly paper reported last year was 90,000 copies. During those months of last summer in which the country Sabbath-schools were open, its circulation reached 100,000, and stood at 95,000 copies during the remainder of the year. The semi-monthly, published on the 15th of each month, which was reported last year at 20,000, has reached a circulation of 34,000 copies. Together they give an aggregate of 1,602,000 copies sent forth during the year, instead of 1,084,000, as last year reported.

The Record.

The circulation of the *Record* stands at 16,000 copies, about the same number as was reported last year.

II. Department of Distribution.

1. *Sales in the Depository.*—The number of volumes sold in the Depository during the year has been 379,526. The pages of tracts sold in the Depository have been 346,390. The net value of these bookstore sales is $60,867.27. This does not include the sales by colporteurs, which are stated in another part of this report.

2. *Distributions through the Colportage and Distribution Fund.*—A little over a year ago the Board decided to unite the Distribution Fund with the Colportage Fund, believing that there were no sufficient reasons for keeping them distinct, and for making separate appeals for the two to the liberality of Christian friends, while their union would tend to simplify the operations of the Board, and increase the facility with which it could accomplish some of its benevolent purposes. The Fund is now called the "*Colportage and Distribution Fund.*" While it defrays the expenses of the colportage work, it also bears the cost of the grants of books and tracts made as heretofore by the Executive Committee.

Colportage.—During the year now under review, 155 colporteurs have been in commission, who have reported 11,167 days of labour. They have sold 62,206 volumes, and distributed gratuitously 46,978 volumes and 1,931,491 pages of tracts. They also report that they have visited 92,214 families, with a large portion of which they have had religious conversation and prayer. Many instances, some of a very striking kind, are mentioned in the Report, of blessed results flowing from these labours.

Grants to Freedmen.—Agreeably to the expressed wish of the Assembly, the Board has coöperated during the year with the Freedmen's Committee by sending supplies of its publications to the Freedmen in the various States of the south and southwest. Whenever such a grant has been solicited, either by the Freedmen's Committee or by individuals well recommended to the Board, suitable packages of publications have been forwarded with alacrity. Large numbers of Shorter Catechisms, Child's Catechisms, Hymn-books, Music-books, Primers, Sabbath-school papers, tracts in large print, and other suitable reading have been sent to Freedmen's Schools in Virginia, North and South Carolina, Georgia, Alabama, Tennessee, Arkansas, and Missouri. The eagerness with which these books and papers have been sought has been remarkable

Aid to Sunday-Schools.—An increasingly interesting and important part of the Board's work lies in the direction of aiding needy Sabbath-schools. While the Board is doing its utmost to supply choice juvenile reading in large variety, suitable for Sabbath-school libraries, it desires, so far as the means shall be supplied, to place this literature *gratuitously* in the hands of those who are

unable to buy it. Many a feeble school has in this way been invigorated, and received a new impulse in a career of usefulness. Multitudes of little hearts have thus been made to throb for gladness, and multitudes of children's eyes have been made to sparkle by the grant of a few books and papers to remote and mission Sabbath-schools. We and our children, living as we do surrounded by an overflowing abundance of religious reading matter, can hardly comprehend the eager joy with which such reading is welcomed by multitudes in the more distant and thinly-settled portions of our country. The Report gives a number of samples of the acknowledgments received from such schools.

Distribution of our Tracts.—An unusually large number of the Board's *tracts* has been distributed this year. The number of pages scattered far and wide over the land, has been 2,263,984, an advance of 674,610 pages on the year preceding. The Board has stood in an attitude of cheerful willingness to make grants of tracts wherever there were Christian hearts and hands ready to receive them, and put them to a judicious use. Especially has it evinced its readiness to supply the wants of pastors who desire good tracts whereby to instruct and edify their people. We are glad to know that the number of pastors employing this quiet but powerful instrumentality is increasing.

The Shorter Catechism.—The Board is gratified to perceive an increasing demand for the Shorter Catechism, for use in the family and in Sabbath-school. It is a sign of increasing healthfulness and vigour in the Presbyterian body, and augurs well for its future.

Total of Distribution.—When brought together, the total of the various amounts which have been mentioned separately is as follows:

Volumes sold at the Depository,	379,526
" " by Colporteurs,	62,206
" given by Colporteurs, and granted by the Executive Committee,	46,978
Total of Volumes,	488,710

Being an increase of 120,756 volumes over the year preceding.

The pages of tracts distributed are as follows:

By sale at the Depository,	346,390
Given by Colporteurs, and granted by the Executive Committee,	1,931,491
	2,277,881

Being an increase of 674,610 pages over the year before.

In addition to these, the Board has issued:

Copies of the *Sabbath-school Visitor*,	1,602,000
" " *Record*,	197,250
" " various Reports,	8,500

The *net* value of these issues has been,

Sales in the Depository,	$60,867 26
Sent to Seminaries, Authors, Editors, &c.,	1,651 49
Sales by Colporteurs,	43,341 95
Sabbath-school Visitor,	14,180 91
Record,	6,657 31
Total,	$126,698 92

This total comprehends credit sales and donations, and of course differs from the Treasurer's account, which credits only cash received.

III. Department of Sustentation.

The receipts into the Treasury from all sources, excluding the balance therein at the beginning of the year under review, amount to $146.877.78.

The expenditures of the year, of every sort, have been $142,724.07; the receipts exceeding the expenditures by $4,153.71.

The cash received from the sales of books, tracts, and periodicals, has been $125,047.43.

The balance in the Treasury at the end of the year is $14,326.13.

The Colportage and Distribution Fund.—The receipts for colportage and distribution during the year have been $32,088.88, and the expenditures $32,347.00, the expenditures in this direction having exceeded the receipts by $258.12.

The General Assembly of 1866 adopted the following resolution in reference to the colportage work:

That the right arm of the Board, its system of colportage, *ought to be more directly presented to their churches by pastors and ruling elders*, as the chief claim of this department of church enterprise, for their liberal help.

We are gratified at being able to state that our pastors and churches, although many of them as yet give nothing to this Fund, have done better this year than in those which preceded it. The number of contributing churches reported last year was 778; this year it is 930, an increase of 152 contributing churches. But even this is only a little over one-third of the entire number of churches in our connection; and, after making all reasonable allowance for those which can do nothing, there are very many which have disregarded the action of the Assembly and the claims of this noble work. Would all such as are able to give only a very small sum send us their offerings, however humble they might separately appear, they would, in the aggregate, give an important enlargement to the receipts of the Fund. May we not hope that the next year will see a still greater increase to the number of contributing churches? Never was there a time in the history of our Church and of our land, when it was more important to scatter abundantly over their whole extent a pure and healthful religious literature. We beg our churches, and especially our brethren of the ministry and the ruling eldership, to come up to the help of this Board in the great and important work in which it is engaged.

BOARD OF CHURCH EXTENSION.

President—Rev. S. J. Niccolls, D. D.
Corresponding Secretary—Rev. H. R. Wilson, D. D.
Treasurer—David Keith, Esq.

ABSTRACT OF THE FOURTEENTH ANNUAL REPORT.

Notwithstanding the general business depression of the country, and the urgent wants of other important enterprises, the continued favour of God has caused the Church Extension work to advance during the year, the record of which we now present.

The receipts were nearly $13,000, or more than twenty-five per cent. beyond those of any previous year.

The number of contributing churches was 1013, or sixty-eight more than in the preceding twelve months.

The average grants of the Board increased from $438 to $509, or nearly sixteen per cent.

Applications.—During the year ending April 1, 1869, one hundred and forty-one churches asked for aid to the amount of $77,367.88, averaging nearly $549 to each church.

Last year, one hundred and eighty churches applied for $106,577, an average of $592 for each church. This diminution, both in the number and amount of applications, we suppose was the result partly of the financial condition of the country, which compelled many of our feeble churches to defer their church erection, and partly of the more general impression that it is not the will of contributors that the Board should bear the *chief burden* of building for our houseless churches, but simply act as a supplementary and stimulative agency, through which the Church at large may express its sympathy for the well-considered efforts of its feeble congregations, and enable them to draw from

the communities in which they are located, aid that could not otherwise have been obtained.

If to the one hundred and forty-one applications filed during the year, there be added those undisposed of at April 1, 1868, it will appear that the Board actually had before it during the year under review, applications from two hundred and fifty-six churches, calling for $156,743—a number and amount larger than during any previous year in its history.

There remained on file April 1, 1869, awaiting the receipt of further information, applications from eighty-three churches, calling for $53,100.

Appropriations.—Appropriations were made during the year to one hundred and nine churches. The amount granted to these churches was $55,510 10, being an average of $509.27 to each church. The close approximation of the average applications and grants, indicates the increased ability to meet the reasonable wants of our houseless and feeble churches.

Appropriations amounting to $2500 were during the year withdrawn from five churches, because not called for within the limited time of two years. To one of these churches, however, a new appropriation has since been made. One hundred and nine churches during the year drew their appropriations, amounting to $52,149.68.

Receipts and Expenditures.—The balance appropriated and unappropriated on hand April 1, 1868, was $41,268.53. The receipts from April 1, 1868, to April 1, 1869, were 63,038.63. The entire amount of the funds of the Board during the year was therefore $104,307.16. From the Treasurer's report it appears that the expenditures were $55,368.07. The balance which should be in the Treasury April 1, 1869, is therefore $48,939.09.

There were, however, unpaid at that date liabilities amounting to $33,063.86, leaving an unpledged balance of $15,875 23 to meet applications already filed, (and that may at any time furnish the requisite information,) amounting to $53,100.

Presented in the usual tabular form, the financial condition of the Board at April 1, 1869, was this, viz:

Pledges already given, ...	$33,063 86
Applications filed that must be acted on as soon as the required information is furnished, ...	53,100 00
Total demands, April 1, 1869, ...	$86,163 86
Total means, available and unavailable, . . .	48,939 09
Deficit of means, ...	$37,224 77

The Work done.—In the fourteen years of its existence, your Board of Church Extension has received $439,216.88. It has aided nine hundred and fifteen different churches to secure free from debt church property worth over $3,000,000, and that will accommodate over two hundred thousand worshippers.

Conclusion.—While the review which we have taken of the past year, bids us "thank God and take courage," still it would not be wise to pass by the humiliating and discouraging fact, that of our twenty-seven hundred churches, only ten hundred and thirteen have contributed to this Board, leaving sixteen hundred and eighty-seven (and among these some of the larger and more wealthy churches) who have not given a farthing to this noble and important cause during the year. Will not all our Presbyteries see to it that *every church* under their care makes an annual offering to the cause of Church Extension, that we may erect houses of worship into which our faithful missionaries and pastors may invite the multitudes who habitually desecrate God's holy day? Then shall our beloved Zion "arise and shine, her light having come, and the glory of the Lord being risen upon her," and multitudes shall come "to the brightness of her rising." May the Lord hasten it in his time!

COMMITTEE OF THE TRUSTEES ON THE FUND FOR DISABLED MINISTERS, AND THE FAMILIES OF DECEASED MINISTERS.

FOURTEENTH ANNUAL REPORT OF THE COMMITTEE.

Death of Dr. Jones.—The Committee of the Trustees report that their late Secretary, the Rev. Joseph H. Jones, D. D., departed this life on the 22d of December, 1868. He was engaged with great earnestness and assiduity in this work for fourteen and a half years, during seven of which he gave his whole time, and with most happy results.

Action of the Assembly.—Twenty years ago the General Assembly resolved to constitute a Fund for the support of the widows and orphans of deceased ministers, and for the relief of superannuated and disabled living ministers. The main features of this plan, as it has been re-affirmed frequently by successive Assemblies, are as follows:

1st. This Fund is to be made up by annual collections, in all the churches, to be sent to the Treasurer of the Trustees of the General Assembly for the above-named classes of persons.

2d. Donations and legacies are also to be solicited to form a Permanent Fund, the interest only of which is to be used.

3d. The Trustees of the General Assembly are charged with the care of this Fund, and are directed to make appropriations on the recommendation of those Presbyteries, (or of their Committees) to which the applicants most naturally belong. These recommendations must be annually renewed.

4th. It is enjoined on Presbyteries to search out the needy, and make application in their behalf.

5th. The collections of the churches are to be reported each year, and the amounts to be placed in the column for "Disabled Ministers" in the *Minutes* of the Assembly.

6th. Any surplus funds contributed by the churches may be invested as part of the Permanent Fund.

7th. The Trustees are required to report annually their doings to the General Assembly, and their report is to be placed for examination in the hands of a Standing Committee appointed by the Moderator, so that the whole subject may be considered by the Assembly.

In these amounts are included the legacies, and private donations which have been bestowed to constitute a Permanent Fund, that is, the sum of $24-, 066.81, of which $23,656.81 have been invested. The interest accruing from this small permanent Fund has been applied agreeably to the injunctions of the Assembly to the same purposes as the annual contributions from the churches.

From this schedule it will be seen that there has been a steady increase in the number of churches contributing, and in the aggregate of the annual collections.

Disbursement of the Fund.

During the year ending April 1st, 1850, nothing was expended. From that date to April 1st, 1851, $325 were distributed, and during the next year, to April 1st, 1852, $725 were appropriated by the Board of Publication. After the duty of disbursing these funds was assigned to the Trustees of the General Assembly, a Committee was appointed to take the matter in charge. The first meeting of that Committee was held November 22, 1852, and from that time to

Of those who have been assisted by this Fund, six have died during the past year, four of whom were aged and venerable ministers of the gospel, and one an aged widow.

In conclusion, we entreat all our ministers and other office-bearers, to use their best endeavours to awaken and maintain a lively interest in this as well as the other benevolent schemes of our beloved Church. In *all* the congregations, small as well as large, poor as well as rich, let the cause be presented, and a collection be taken up each year. A moderate contribution from every church would soon fill the Treasury.

Presbyteries are solicited to inquire diligently and often into the wants of their suffering brethren, and of their widows and orphans, and adopt the most feasible measures for ministering speedy relief to the destitute. Long delay

sometimes causes great mental distress, as well as bodily suffering. It is earnestly hoped that the multiplied cares and labours of our ministers in active service, will not so engross their attention, as that the aged and needy shall be forgotten or neglected. *The entire responsibility of recommending applicants devolves on the Presbyteries*, and they will doubtless exercise firmness, tenderness, wisdom, and fidelity, in the administration of this trust, committed to them by the General Assembly. Some modest and sensitive people are repelled by the fear that their private affairs will be subjected to a severe scrutiny. Let it then be understood that neither Presbyteries, nor their Committees, while faithful in duty, are expected to erect themselves into anything like inquisitorial courts, or to adopt a system of espionage, which would be as unjust as it would be ungenerous and unchristian. Our Heavenly Father "giveth liberally, and upbraideth not." Let the superannuated and the destitute be invited and encouraged to apply for aid, with the assurance that the great heart of the Church beats warmly towards them, and that her full hand is open to make good the declaration of the Psalmist: "I have never seen the righteous forsaken, nor his seed begging bread."

There are some among us whom the Lord has greatly prospered in temporal things, and besides wealth, has also endowed them with generous hearts. If they have any "free-will offerings" to bring, the Committee are ready to receive their donations, and add them to the Permanent Fund. Perhaps there are some persons now deliberating what disposition they shall make by will of a portion of their estate for charitable purposes; we respectfully entreat them to consider favourably the claims of this Fund for Disabled Ministers and the Widows and Children of deceased Ministers.

In a word, we beg a continued interest in the prayers, the hearty coöperation and liberal contributions of all the people throughout the whole Church.

The promises of God stand sure: "He that watereth shall be watered also himself;" "Give, and it shall be given to you;" "If thou draw out thy soul to the hungry and satisfy the afflicted soul, then shall thy light rise in obscurity, and thy darkness be as the noonday. And the Lord shall guide thee continually, and satisfy thy soul in drought, and make fat all thy bones; and thou shalt be like a watered garden, and like a spring of water whose waters fade not."

ABSTRACT OF THE FOURTH ANNUAL REPORT OF THE ASSEMBLY'S COMMITTEE ON FREEDMEN.

The general plan of operations which was adopted two years ago, has been continued, in its main features, through the past year. This plan includes the three general divisions of the work required of the Committee, viz.,

1st. The raising of Funds.

2d. The enlisting, selection, and location of Missionaries and Teachers.

3d. The direction and supervision of Missionary labour.

At the beginning of the year, the Committee found that they had one hundred and thirty missionaries in commission; sixty newly organized churches, and thirty-eight schools, with 3000 pupils, which could neither be neglected nor abandoned, without disaster to them, and dishonour to the Church. To meet the demands of these missions and missionaries, there were in the Treasury, on the 1st of May, the balance from last year of $1,908.91, a sum sufficient to pay the salaries due at the end of the month. This condition of things was aggravated by the fact that the liabilities of the two great Boards of the Church, the Foreign and Domestic, were such as to demand the immediate attention, and the more generous support of the people. The only way in which the monthly expenses of the Committee could be diminished, was by the

suspension of schools, for a time. But the special interest manifested by the people in these schools, and the fact that the regular vacation would occur on the 1st of July, determined the Committee to go forward, trusting God and his people for the means to continue the work. They were greatly cheered in this determination by the noble spirit of sacrifice manifested both by the missionaries and the people for whom they laboured. Some of these missionaries gave a month's salary. Others asked that their salaries should be kept back for a month, and forty of the students of Lincoln University volunteered to labour during their vacation, without salary, save such amounts as the people might be able to give.

All reasonable effort was made, and continued during the year, to increase the funds. The Board of Church Extension, with a magnanimity and Christian courtesy, which has characterized its whole intercourse with this Committee, furnished all the funds necessary to complete church buildings begun. That of Publication gave efficient aid, by grants of books, tracts and papers, for the benefit of schools and congregations; as did also the Presbyterian Depository at Pittsburgh, the American Bible Society, and the American Tract Society.

The Board of Domestic Missions renewed the commissions of eleven of the ministers at $450 for the year, and one for six months at the same rate. Also, three additional ministers were commissioned on the 1st of March for one year. The whole number of missionaries who are labouring under joint commission from the Board and Committee, on the 1st of May, is fourteen; and the whole amount paid by the Board, in support of these ministers, during the year, is $5,400, which is $2,400 less than the amount appropriated by that Board last year to aid in the work of the Committee.

The Government allowed transportation to the field, for all teachers sent out, and appropriated generous aid in building, renting, and furnishing schoolrooms.

From the first of June until the last of December, the Treasury was largely overdrawn; and the missionaries were supported by money raised upon the individual notes of the Treasurer, Secretary, and one member of the Executive Committee. Yet no labourer has failed to receive his promised salary; no field has been abandoned for want of funds; the missionary force has been increased, and the year closes with a small balance in the Treasury.

The following summary will present the work, and its results, in its three general departments.

I. Of Funds.

Balance from last year,	$ 1,908 91
Church Collections,	24,252 48
From individuals,	3,448 95
From Free Church of Scotland,	1,655 40
From Churches in Canada,	280 10
From Freedmen's Schools and Churches,	8,923 71
From the Boards of Church Extension and Domestic Missions, and grants from Government,	37,500 00
Special contributions to Quindaro High School,	1,200 00
Total funds,	$79,169 55
Balance in Treasury, May 1, 1869,	6,360 31
Total funds expended during the year, under direction of Committee,	72,809 24
Total,	$79,169 55

The sum herein acknowledged, as contributed by the freed people, includes only the amounts paid to the Treasurer in money, for the support of pastors and teachers, in commission, for the contingent expenses of their schools and churches; and, in a few cases, for church buildings. A number of schools, besides, have been self-sustaining for several terms, and no report made of the actual amount paid the teachers; others have paid the board of teachers; and much has been contributed in labour toward building and repairing churches. Most of the churches have contributed to several of the Boards.

II. Of Missionaries and Teachers.—The Committee have had in commission, and in the field, since the last Report, *One Hundred and Seventy-nine Missionaries*, including Ministers, Teachers, and Catechists, who have performed, up to May 1st, 1869, one thousand and thirteen months, or eighty-four years and five months of labour, at a cost to the Church of $21,371.82; or an average salary of about $178.00. Of these missionaries, there were:

Ordained Ministers,	26
Licentiates,	3
Catechists,	11
Student Catechists,	40
Teachers, (males, 52; females, 47,)	99
Total,	179

Of these one hundred and twenty-six were of the African race.

III. Missions and Schools.—From the Monthly Reports from all the Missions, the following statistical history of the work of the last year is gathered, viz.

1. *Of Churches.*

Whole number of churches May 1, 1869,	72
Churches organized during the year,	9
Communicants added during the year,	1,174
Whole number of communicants, May 1, 1869,	5,634

The church of Manson, North Carolina, consisting of seventeen members, had but one ruling elder, and he the only man in it capable of being a leader of the people. This elder was shot, and instantly killed, by an assassin, while walking a few steps behind the missionary, to the Sabbath service, during the political excitement of last summer. The church, thus left without a leader, became disheartened, and the members went to other communions.

Many of the churches have been greatly depleted by the migration of the people; and some of them have had their membership reduced by death, and by a wholesome exercise of discipline. The multitude, who are homeless, and dependent upon their daily labour, are compelled, every year, to leave their church communion, and settle where they can find work. About the first of January, more than half the members of some of the churches, especially those on the Sea Islands, changed their location. This will account for the fact that while there have been additions made to all the churches, many of them have a smaller communion than last year; also for the fact that, while the total of additions during the year is 1174, the permanent gain over the total communion of last year is only 1031. One hundred and forty-three communicants have disappeared during the year. The wonder is, that there should be an actual permanent gain in any of the churches, in the present unsettled condition of the people.

2. *Schools.*

Stations occupied by Schools since May 1, 1868, 57, viz.

Temporary schools, taught by Lincoln University students,	16
Merged in City Schools of Baltimore,	1
Abandoned by dissolution of church of Manson, North Carolina,	1
Schools in operation May 1, 1869,	39
Pupils in Schools, May 1, 1869,	3208

The church buildings are, with few exceptions, used for school purposes,

and are built with that intention. Some congregations have built school-houses in addition, and some communities have secured the school-house alone, with the hope of ultimately having a church. School-houses so reported, 9.

In this statement of schools there are three included, which are intended to be of a higher grade than that of the parochial order, viz.,

1. *Biddle Institute*, at Charlotte, North Carolina, which had enrolled forty-three students during the last session, and now has forty in attendance.

2. *Quindaro High School*, in Quindaro, Kansas, which is under the joint care of the Synod of Kansas and the Committee on Freedmen. This school had one hundred and forty-five pupils enrolled at the close of the year.

3. *Wallingford Academy*, which has been established during the last year, in the city of Charleston, through the generous contributions of Mrs. E. G. Wallingford, of Pittsburgh, by which a site for the Academy buildings was secured, free of all incumbrance. It is intended that this Academy shall stand as a memorial of the departed husband of its generous patron. This school, under the principalship of the Rev. J. H. Bates, has had an average attendance of three hundred and eight pupils during the last term, and now has a property valued at $13,000.

The estimated present value of these buildings, with the grounds connected with them, is $66,680, which is more than double their original cost.

The lots on which these buildings stand are held, in most cases, by Trustees appointed by the people or congregations, under the control of Presbyteries connected with the General Assembly. The property belonging to Biddle Institute is vested in a Board of Trustees, who are appointed by the Committee on Freedmen. This Board of Trustees are allowed to nominate, while the Committee elect, all Professors.

The grounds upon which Wallingford Academy stands are vested in a Board of Trustees, one-half of whom are appointed by the Committee on Freedmen, and the other half by the Wallingford Church, under the supervision of Atlantic Presbytery.

Great advantages result from allowing the churches, among the Freedmen, to own the houses for worship which have been erected for them, as it gives both permanence and self-respect to the congregation. The people, with houses of their own, gather, with their families, about the sanctuary, which is rendered all the more sacred from the sense of manhood, and the home-feeling which the ownership of it gives them. And the sacredness with which the trust has been kept, as well as the wisdom of giving these buildings into the hands of the people for whose benefit they were erected, are fully vindicated by the fact that, out of the more than $66,000 invested in property for the benefit of the Freedmen, *not a dollar has been lost, no building has been cheapened by neglect, and not a single effort has been made to alienate the title from Presbyterian ownership.*

With this statement of the results which God has been pleased to give to the efforts to plant the Church among the Freedmen, the Committee would respectfully and earnestly call attention to the present *demands of the work, and the methods employed to meet them.*

I. Demands.—The first and most urgent demand which the missions among the Freedmen now make, is for a large and speedy increase of *ministerial missionaries.* This demand for an increase of ministers *is immediate, and not to be disregarded, if the Church would not lose the benefit of the work already done.* The ministerial force ought to be doubled at once. One minister can profitably take charge of three, or even four congregations, if the churches are so situated as to admit of ready access, provided he has a catechist and teacher in each, as helpers. This increase is demanded, not only in order to an efficient care of the congregations already gathered, but specially by the necessity of their surrounding fields. In order to the highest success, the particular church should not be left to stand alone, nor be surrounded by other communions with which it can have no sympathy. If so left, it is liable to become disheartened, or be led away by an ignorant fanaticism, which finds no need for an educated ministry; or to inweave with their forms of worship the superstitions which ignorance fosters and a perverted conscience accepts.

2. The second demand of these missions, and not less urgent, is for a large increase of well-qualified *Christian Teachers*. In order to a successful and permanent work of evangelization among the Freedmen, the Christian teacher is as necessary as the minister. In the absence of any school system, by which this ignorant people and their children may be taught to read the Bible, the Church must have its parochial school and missionary teacher. A greater number of teachers *could* be provided by the Committee, because their support is less. A greater number *must* be provided, because, while one minister can preach the gospel in four, or even in eight congregations, all of the teacher's time is required in one; and in some congregations, two or four teachers are demanded. It will be readily seen that fifty four teachers cannot supply seventy congregations with day-schools for children, night-schools for labourers, and Sunday-schools for all classes.

The visitation of these missions by the Secretary, during the last winter, forced upon him the conviction that no labourers in the field are producing such marked and permanent results, in the life and character of the people, as the pious, self-sacrificing female teachers. Their influence is felt in every household within their reach, softening the asperities of rough natures, elevating grovelling souls, patiently leading blunted intellects and benumbed hearts in the search for true wisdom, and awakening, even in the outcasts, the longings for the better life. The difference between the churches which have, for the last two years, enjoyed the labours of the faithful female teacher, whose motive is the love of Christ, and those without the teacher, brings its lesson, which neither the missionaries nor the Church ought to disregard.

3. The third demand now made by the missions among the Freedmen, is for *Pastors of their own race*. The demand for pastors, who are able to appreciate their condition, and sympathize with them in their peculiar trials, as well as instruct them, is one *which increases with their intelligence and culture*. This Committee enters into no discussion touching the righteousness, or unrighteousness, of the peculiarities, and prejudices, which separate the races. The race feeling is to be looked upon as a profound fact, in all our efforts to plant the Church of God. If must be reckoned as a grand factor, in all schemes for evangelization. How far the grace of Christ may lift a sinner above, or carry him beyond those lines, with which God has been pleased to define the boundaries of the races, and nations, we know not. We do know that such lines exist, more sharp and imperishable than the Babel of human tongues, and that they are wholly consistent with the unity declared by Him who has "made of one blood all the nations of the earth." An extended observation teaches us that the prejudices, feelings, and attachments of race, are more active and permanent with the African than with most other races. A philanthropic theory may eliminate distinctions deemed conventional, but practical contact reveals the fact, that God has placed a stamp of individuality on his soul, as deep as upon his body. White missionaries may perform missionary labour successfully among them, but further than that it is difficult to go. The boundary of his work is not fixed by the *white minister, but by the coloured congregation.*

This demand for pastors of their own race, is emphasized by their condition, and by the present relations of this race, to the people among whom they live. They are still in service, though free. The great body of church members are in the households of the white people, and it is neither proper nor safe, in the present state of affairs, for the white missionary to enter these households, as a pastor looking after his flock. There are rights of society, and conventionalities of life, which Christian culture teaches the gospel minister to respect; if he would maintain the dignity of his office, protect his ministerial character, and avoid bringing the gospel into reproach. Not only is it true, that a native ministry is the best for a people, but there is a stage of progress in the missions of the Church, when it becomes a necessity. This is peculiarly the case with those among the Freedmen.

This demand of the work has been met thus far, by associating with each white minister, a coloured catechist, who really performs the works of a pastor, under the guidance and instructions of the missionary. The wisdom of using the leaders of the people, in this work, under an intelligent supervision, is manifested in various ways. The catechists are generally ruling elders;

and they are thus educated to "take heed to the flock over which the Holy Ghost has made them overseers," and prepared to "rule well" in the house of God. Some of these men, who began as catechists, are now clothed with ministerial authority, and settled in charge of growing congregations. But there is a limit to the work of a catechist. They are generally men in middle life, and it is impossible to educate them thoroughly; especially while they are required to spend the greater part of their time in the work of the pastorate. The churches soon grow out of the influence of such leaders. The children, advancing rapidly, under the instructions of the school, cannot be interested or edified by one whose only qualification is devoted piety. Many of the churches are now calling for educated coloured pastors, while they treat their catechist with respect, or even reverence. This demand, so far from being a discouragement, is accepted as one of the clearest evidences of success in the work. It was a result foreseen, and which the Committee sought to provide for from the beginning.

4. A fourth demand which is made by these Missions, is *a more direct and efficient Presbyterial control.* The effort is not simply to gather Christians into church organizations, and add converts, as God shall give success to the gospel preaching, but to prepare a people for the Lord's work; and to neutralize the thousand evil forces of ignorance and enthusiasm which are rife among the people. A true Presbyterianism is the remedy for church irregularities. It has a power to reduce, most effectually, to order, the religious elements which now characterize this people. But it is evident that practical Church order, and Presbyterian usages, are not to be inculcated by mere theoretical teaching. The churches must feel the power, and enjoy the fostering care of Presbytery. They must be brought into vital unity with the whole Church, through the active supervision of the superior Courts.

There are now three Presbyteries, under which are gathered the great body of our churches, viz., Catawba, Atlantic, and Knox. But the territory covered by these Presbyteries is so great, that they, in too great a degree, fail to vitalize Presbyterianism among the people. Each of them could now, with great advantage to the churches, be divided, if the ministerial force could be increased, as the work demands. Neither the ministers nor ruling elders are able to meet the necessary expense of attending the meetings of the Presbytery, without such division. The Synod of Atlantic failed to organize, in accordance with the order of the last Assembly, in October, because of the distance the members were from the the place of meeting.

There are also a number of churches now established without any Presbyterial relations whatever, and at present such relation is practically impossible.

II. Plans and Methods.—The plans adopted, and the methods pursued by the Committee in the conduct of the work have, throughout the year, been in accordance with these known demands of the missions.

1. They have sought to place intelligent and efficient ministers at such centres as would enable them to control the greatest number of forces operating among the people, and to associate with each such a number of catechists, as might be necessary to keep up regular Sabbath services, and perform the necessary pastoral work. In extending the work, efforts have been made to organize churches in such localities, as that the division of the Presbyteries in existence might be hastened; in the hope that by reducing the territory of each the efficiency of presbyterial control could be increased.

2. Constant and laborious efforts have been made to prepare qualified teachers and ministers of the coloured race; and God has been pleased to crown these efforts with the most cheering promise of success. The Presbyterian Church has vindicated her character, as the friend of the African race, by the generosity with which this effort to educate a ministry for them, of their own people, has been sustained. But the work is only bravely begun. Foundations have been laid, broad and deep, but much of toil and sacrifice are necessary, before the edifice is completed.

The Committee have also earnestly considered the question of establishing, at some point in the same general locality, a seminary for females, for the

education of teachers. But the way does not seem fully prepared, chiefly from the fact that the necessary funds cannot be gathered. This will be found vital to the success of the work, and will press itself upon the consideration of the Church at an early day.

3. It has been the aim of the Committee, from the beginning, not only to establish the Church among the Freedmen, but to develope and direct the power of the people to sustain all the institutions of Christianity for themselves. The providence of God decided the question of the organization of separate churches for the coloured people. Mixed congregations could not be gathered. The organization of churches necessarily involved that of Presbyteries, and the ownership of property for religious uses. Thus, the people have been led to feel an independence and self-respect; and the foundation is laid for that sense of responsibility before the world, which may be used to urge them to the support of their own religious institutions. With this work of sustentation in view, the Committee have commissioned each missionary at a specified salary, fixing the amount according to the cost of living in the locality, and have required each one to report monthly all amounts contributed by the people. These amounts are deducted from the promised salary, and due credit given to the church or school. Thus, more than $8,000 are reported during the last year, as the result of this method of conducting the work. When the great poverty of the people is considered, the promise of speedy self-support of the churches established, ought to give great encouragement to the friends of missions among them.

The last Assembly also requested the Secretary of the Committee on Freedmen to confer with the Secretary of the Committee on Home Missions of the New-school Church, and with the Secretary of the Sustentation Fund of the Southern Presbyterian Church, and ascertain whether these bodies could not coöperate in the great work, so that it could be carried on more harmoniously and efficiently by Presbyterians.

The Secretary, at as early a day as his duties permitted, attempted, in good faith, to carry out this expressed wish of the Church. But the Committee are compelled to report an entire failure thus far to secure an active coöperation with either of these bodies. It is to be hoped, however, that a better understanding of each other has been reached; and that through the cultivation of that mutual respect and Christian regard, which our holy religion inculcates, and the past history of our Churches warrants, the day may be hastened when the work of these Churches shall be one, as their Lord and faith are one. In view of the vast demands of the field, and the evident tokens of unity in the Presbyterian family in this country, the hope is still cherished that a united effort may yet be made to gather the outcasts, and lift up this long-tried and suffering people.

THE CONTINGENT FUND AND THE MINUTES.

1. This fund is indispensable to the organization of the General Assembly. It pays the salaries and expenses of the Clerks, the Janitors, the Delegates to Corresponding Bodies; for printing, and for the Stationary used by the officers and members during the Sessions; besides the whole cost of printing and publishing the Minutes annually.

2. To meet the increasing cost of the Minutes, the General Assembly, at Newark, in 1864, ordered that the price be seventy-five cents per copy; and previous regulations authorized the Stated Clerk to withhold the Minutes from any Presbytery that will not send in time the full price, including postage, and post-office address for each Minister and Licentiate on the list transmitted. When the sum transmitted is not sufficient, the Minutes will be sent only to the Stated Clerk, and others on the list, as far as the money will pay, according to the rate fixed by the Assembly. Any individual, officer, or member in the church, may obtain a copy of the Minutes by subscribing for the same, and paying before the 1st of June.

3. By act of the General Assembly at Pittsburgh, 1865, the Stated Clerk, the Treasurer, and the Secretary of the Board of Trustees, are made a Committee to assess the several Synods, in order to bring the Contingent Fund out of debt, and keep it out of debt, the assessment being subject to approval by each Synod.

TO THE STATED CLERKS OF SYNODS.

It is the duty of the Stated Clerks of their respective Synods to send up to the Stated Clerk of the General Assembly an annual report, stating, in brief, the number of Presbyteries, ministers, churches, licentiates, and candidates, within their bounds, and particularly all changes which may have been made in the arrangement of Presbyteries. By the Assembly of 1841, (see p. 425,) it has been made their duty also to transmit to the Stated Clerk of the Assembly the time and place of meetings of their respective Synods.

STATED CLERKS OF PRESBYTERIES

ARE EARNESTLY REQUESTED

1. To make their Annual Reports to the Assembly. If they have no printed blanks, after the form on the next page. Blanks can always be obtained *gratis*, on application to the Stated Clerk.

2. To make their Reports in fair, distinct writing, especially the columns of figures.

3. To make them as accurate and full as possible. If, in any instance, churches do not report to Presbyteries, it is desirable that their number of communicants should be inserted from their last report.

4. To report *no cents*. The Assembly has so ordered. If, therefore, they are reported, the Stated Clerk of the Assembly is obliged to throw them out altogether, or to incorporate them with the dollars. This costs him a serious amount of labour, to which he ought not to be subjected.

5. To *add up* each column of figures with care. Many still neglect this, and thus oblige the Clerk of the Assembly to do what they should do themselves.

6. To append to the statistics of Presbyteries a brief account of the changes which have occurred during the year—such as the *number* of licensures, ordinations, installations, dismissions of pastors, organization of new churches, and the names of ministers deceased.

7. To transmit their reports to the Stated Clerk, at the meeting of the Assembly, or to W. SARGENT, Esq., 821 Chestnut Street, Philadelphia, *not later than the first day of June, fully post paid.*

N. B. The General Assembly, in its sessions at Nashville, Tennessee, directed that the Presbyterial Reports should be made out at, or before the Spring meetings of Presbyteries, and *read in Presbytery*, for ratification and sanction.

☞ Blank forms for *Sessional Reports* are not furnished by the Stated Clerk of the General Assembly, but are kept *for sale* by the Presbyterian Board of Publication, 821 Chestnut Street, Philadelphia.
